Diane Guerrero as Izzy Cortez
Holland Roden as Ivy Lynwood
Zoe Sugg as Christy Sparks
Conner Franta as Cal Quincy
Sarah Hyland as Misty Cobb
Lilly Singh as Liv Carter
Justine Ezarik as Jennifer Parker
Grey Damon as Vincent Rock

TEASER

FADE IN:

INT. SERENITY HIGH, AUDITORIUM - DAY

The Drama Club students are in half costumes. HAYLEY is sitting with RILEY. Scripts in hands.

RILEY

No you gotta say it more like,
you're tired or something. I just
dragged you up like 15 flights of
stairs.

HAYLEY

I thought this play was "*Into The
Woods*" not "*Up the Stairs*"

RILEY

Don't get cocky with me, Parker.

HAYLEY

You know me, I'm cocky like that--
(beat)
-- and this corset really hurts my
boobs.

RILEY

Yeah but they look great.

HAYLEY

Dude, come on.

Up on the stage, DANNY, TATUM, and FIONA continue working on the set. Fiona, holding some fake tree limbs.

FIONA

You know, I'm just going on a *limb*
here and state the obvious. This
looks nothing like a Willow Tree.

Tatum takes a couple of steps back, looking up at it as Danny plays it.

TATUM

It *kinda* looks like a Willow Tree.

FIONA

If it were the Weeping Willow.

DANNY

Guys come on, it looks *really* good.

One of the branches fall off and the three teens look at it.

FIONA

Looks like that one didn't want to
hang around.

Her and Tatum high-five, leaving Danny looking sad.

INT. SERENITY HIGH, ROSE'S OFFICE - DAY

MAUREEN stands in front of ROSE, pacing back and forth in
distress.

MAUREEN

I don't get it! I did everything
the PTA asked. I made rewrites, I
cut all the songs, and I even got
rid of half the characters.

(beat)

And now we suddenly can't perform
anymore?!

ROSE

I am not saying you can't perform.
I am just conveying the information
that "*Into the Woods*" is not a
suitable play for children.

MAUREEN

But they aren't children.

ROSE

Then what are they?

Maureen takes a moment and thinks.

MAUREEN

(not confident)

Mini-Pre-Adults?

(beat)

They can do this. We've been
rehearsing this for almost a month
now.

ROSE

I'm sorry, Ms. Lynwood. But the PTA
will not allow it!

Maureen takes a step back and sits down in one of the chairs
in front of the desk.

ROSE (CONT'D)

You're going to have to come up
with a substitute.

(beat)

And prepare it for the PTA to see
and watch, in two months before
Winter Break.

MAUREEN

In two months?! One of them could
get pregnant in two months! Or
fall down the stairs and break
their talent -- is that even
possible? To break talent?

ROSE

Maureen!? I need you to be serious
about this.

MAUREEN

I am serious. These kids have
worked hard.

ROSE

And I understand that. There is
nothing more than for me to just
get rid of the PTA and their
incessant complaints about how Sex
Ed should not be taught.

MAUREEN

But Sex Ed is important. So we
don't them humping in the halls.

ROSE

They are. After you I have two
students coming in because we
caught them in the Janitors closet.

MAUREEN

The locations never change huh?

ROSE

Excuse me?

Maureen laughs and Rose looks at her.

MAUREEN

Nothing.

BLACKOUT:

END OF TEASER

ACT ONE

FADE IN:

INT. SERENITY HIGH, HALLWAY - DAY

KATERINA, NELLIE and IZZY, all of them walk in perfect sync as they pass out pink flyers.

KATERINA

Party tonight! Make *sure* you're there or you're fat and a loser.

Katerina is about to hand a flyer to a kid. She then thinks about it and retracts it.

KATERINA (CONT'D)

Sorry, I can't take you seriously. Your nose is just, all kinds of messed up, and in your locker you have a picture of Harry Styles.

(beat)

It's disgusting.

Katerina walks away, heels clicking as she does. Nellie and Izzy stay looking at the girl, shaking their heads.

NELLIE

How dare you not be a Zayn girl.

IZZY

Exactly, he's like the next Lance Bass!

NELLIE

(walking off)

Izzy, Oh my god.

IZZY

What? He came out of the closet? He was just busy writing music.

BARBIE DOLLS TALKING HEAD

KATERINA

My annual "*My Parents are in Cabo*" Party is one that no one can miss.

NELLIE

Everyone in the school is invited to the party.

IZZY

Katerina, is seriously a Saint.
Like Britney Spears or Kanye West.

KATERINA

And lucky for us, no one snitches,
My older cousin Dirk from Duke,
buys us all the booze. I give the
good stuff to my friends, and for
the losers, they get the really
cheap stuff. Like Jack Daniels or
some crap.

NELLIE

That stuff is gross.

IZZY

Yeah, gross-sssssss....s.

CUT TO:

BACK TO SCENE

Hayley stands at her locker, sorting through her books.
Katerina comes up to her, shutting her locker, almost on her
face.

HAYLEY

HEY!

KATERINA

Please, this is Serenity. No one
actually does their work. Lockers
are just used as an excuse to make
this place look like a high school.

Hayley leans against the lockers.

HAYLEY

What do you want, Katerina?

KATERINA

Like you have anything better to
do. Or do you have to wash your
man hands?

Nellie and Izzy laugh along at Katerina's "insult".

HAYLEY

(mumbling)

I don't have man hands

KATERINA

I'm inviting you and your entire
Drama Club of Nerds to my party
tonight.

She holds a flyer out for Hayley. Her eyes focused on
Hayley's confused look.

HAYLEY

(confused)

I'm sorry? You're inviting us? To a
party?

KATERINA

Why are you shocked?

HAYLEY

Of course I'm shocked. You hate
us. You hate everything that
doesn't involve Reese Witherspoon.

KATERINA

Because she's truly an American
Talent.

(beat)

But since my Ex-Boyfriend and
current Quarterback for the
Serenity High Seahawks, is in that
thing you call, *fun*. I have to
invite all of you. But don't show
up, I really don't want you there.

Katerina does her signature hair flip and walks away, leaving
Hayley dumbfounded. Riley and Danny approach..

RILEY

Why were you talking to *Miss. Sucks-
the-fun-out-of-everything?*

HAYLEY

She invited us to a party. The
whole Drama Club.

DANNY

The *whole* Drama Club? Or just none
of us.

HAYLEY

She said she did it because Will is
in the Drama Club and he still has
some popularity left.

Riley raises a brow and looks at the flyer.

RILEY

Are we sure that there isn't any traces of smallpox on here?

DANNY

I don't think so.

HAYLEY

(off beat)

Should we go? I mean it's a party.

RILEY

It could just be, one big cover, for her to kill us.

(beat)

She did give you the ominous message at the Festival. "You're going to regret that" or something like that.

DANNY

Well, I'm just thinking that maybe we should go. You know? See how the cool people live.

RILEY

Fine, I'll go. Just so I can ruin Katerina's room in someday. Maybe poke some holes in her condoms.

Hayley gives Riley a look, as does Danny. Riley then succumbs to their looks.

RILEY (CONT'D)

Fine, I won't. But I'm still getting drunk.

IVY walks over to the group.

IVY

What's going on?

HAYLEY

Katerina is throwing a party.

IVY

A high school party could be what this Drama Club needs. Stress levels are high.

HAYLEY

Yeah but I just think we should avoid all things Katerina.

RILEY

Right? Like how you're still
avoiding Will?

HAYLEY

Dude.

RILEY

What!? You need to let loose!
Have some fun.
(beat)
Just think about it alright?

Hayley just rolls her eyes and walks away from the group.

INT. SERENITY HIGH, AUDITORIUM - DAY

Maureen sits in the seats, flipping through her big binder.
Tearing out all of the scripts, turning them into balls,
tossing them towards the trash and missing.

She then reaches over into a bag of chips, grabbing a handful
and stuffing her face. Not caring about the crumbs landing
on her.

MAUREEN (PRE-LAP)

All my dreams of performing
Sondhiem have been crushed.

MAUREEN TALKING HEAD

MAUREEN

Crushed by middle-aged bitches who
haven't had a good lay in 3 months.

(beat)

I just don't get how they can tell
me what I can and cannot do! It's
like "Maureen wants to do something
awesome! Lets crush it like
Godzilla!"

She runs her fingers through her hair in frustration.

MAUREEN (CONT'D)

And now I have to find a
replacement play. If I don't, I
don't know what will happen to the
Drama Club.

BACK TO SCENE

The doors open and in walks Hayley, carrying the large script binder.

HAYLEY

Hey Maureen! I have a free period,
so I thought you could help me run
some lines.

Hayley sets her things down on the stage.

HAYLEY (CONT'D)

I was thinking that we should go
over the scene where Cinderella
gets her dress. Is the dress going
to be actual gold?

MAUREEN

Hayley?

HAYLEY

I mean, it won't be actual gold.
But like gold color you know?

MAUREEN

Hayley?

HAYLEY

And also, Danny and Riley? Who
knew those two would be a thing.
So many people thought it would be
Danny and I. And don't think I
didn't think about it but he's like
my brother.

Maureen stands up.

MAUREEN

HAYLEY!

Hayley jumps at the sudden outburst.

MAUREEN (CONT'D)

We're not doing "*Into the Woods*"

HAYLEY

(shocked)

What? Why?! We've been working so
hard? Is this about me? No it's
Will and I?

(beat)

(MORE)

HAYLEY (CONT'D)

Maureen, I seriously don't mean to make it awkward but it's just I'm really trying avoid him--!

MAUREEN

-- it's not because of you and Will.

(beat)

And you need a chill pill, honestly.

Maureen grabs Hayley's script binder and just throws it in the trash.

MAUREEN (CONT'D)

The freakin' PTA. They think us doing a play about Fairy Tales is too inappropriate for children.

(beat)

I mean you have a girl squashed by a giant and a Prince that cheats on his wife! What's so inappropriate about that?!

HAYLEY

You mean besides all the death, infidelity, blood, and a wolf that sings about eating a little girl? No there is nothing wrong with it all.

Maureen sighs and just slumps down on the stage, whining as she does.

MAUREEN

I'm sorry, cupcake. But Drama Club is over.

HAYLEY

No! You don't get to do that.

MAUREEN

What are we going to do, Hayley?

(beat)

Our budget was practically wasted on royalties and half-assed sets.

HAYLEY

But there has to be something we can do?

MAUREEN

There isn't! It's like Thelma and Louise, we're going off a cliff, holding hands.

(beat)

The only way out of this, is if we write our own.

Hayley's eyes widen. She then pulls Maureen up from her slump.

HAYLEY

That's it! We write one!

MAUREEN

Excuse me? Half of these kids can't even tie their own shoelaces. What makes you think we can write a play?

HAYLEY

Because we're going to come together and do it. Somehow? I don't know. We'll figure it out. But we'll do it.

(beat)

Somehow.

MAUREEN

The tone in your voice is very convincing.

HAYLEY

But you once told me to not give up. And that's not what we're going to do.

(beat)

It's not the end of the world. It's High School.

Maureen gives Hayley an annoyed look as Hayley gives her a cheeky smile.

MAUREEN

Don't use my words against me.

(beat)

Fine. If you kids come up with a play idea by Monday, we'll do it.

Hayley nods quick.

INT. SERENITY HIGH, CLASSROOM - DAY

Ivy and CAL, playing cards. LIV dancing around in the corner listening to some music. Tatum and Fiona doing their usual as Danny and Riley kiss.

JENNIFER sits on her phone, taking selfies as WILL tosses a football up and down. CHRISTY and MISTY come in, trailing behind them is Hayley, carrying multiple books.

HAYLEY

Alright! We gotta handle this on our own. Maureen needs a break and we need to write a play.

Riley pulls away from Danny's lips.

RILEY

I'm sorry, we gotta do what?
(beat)
We have to write a play?

HAYLEY

Yup, you heard right?

FIONA

Is that a pun?

HAYLEY

Fiona, I need you to be serious.

FIONA

I'm always serious! Like super serious, mainly about food, but who isn't?

Liv removes her headphones.

LIV

And writing a play it's not like it's easy.

CAL

Yeah? We're all 15--

JENNIFER

--16. Get it right, tech boy.

Cal scowls at Jennifer. Christy then stands up.

CHRISTY

Misty and I can write it!

MISTY

Oh yes! We can so do that!
 (beat)
 My Mom told me my poetry is just
 out of the world.

CHRISTY

Oh my god, yes! Like so yes. More
 like YAAAS.

Riley fights the urge to yell, Danny holding her back.

HAYLEY

Look guys, I'm not saying we won't
 do that, but we won't.

MISTY

Oh darn it. Oh well, I'm just
 really happy to be here.

CHRISTY

Oh me too!

The two girls, babble nonsense, until Hayley--

HAYLEY

(yelling)
 ZIP IT!

Hayley looks around at the group and sighs a bit before
 setting some writing books down.

HAYLEY (CONT'D)

Alright, so we have writing books
 and all we need now is--

Riley comes over, picking up all the writing books and
 tossing them into the trash.

RILEY

Okay, first things first, we're not
 doing this your "Everything
 positive" way.
 (beat)
 We're doing it my way.

Everyone's eyes widen at Riley suddenly taking charge.

MISTY

Oh no.

BLACKOUT:

END OF ACT ONE

ACT TWO

FADE IN:

INT. SERENITY HIGH, CLASSROOM - DAY

The Drama Kids are writing down in notebooks. Christy pops up.

CHRISTY

What if we do a play about the Boston Tea Party?!

RILEY

(quietly)

Christy I swear to god--

TATUM

--I think we should avoid all accounts of history. Like how we should avoid how you wanted to a play about the Underground Railroad.

FIONA

Yeah, it's been overdone. Lets do something original? Like a play about Australia.

CAL

Is there anything original about Australia?

FIONA

The wild life can kill you and we had a movie about talking fish.

Everyone in the room audibly groans and then begins arguing over the play ideas. Hayley leans over to Riley.

HAYLEY

(whispering)

You're losing control of the room.

RILEY

(whispering)

Please, I only took charge because I am clearly the alpha female.

HAYLEY

Well, clearly "Alpha Female", it's falling apart.

RILEY
Cover your ears.

HAYLEY
What are you doing?

RILEY
Just do it.

Hayley follows Riley's orders as she stands up. She walks over to the chalk board and drags her nails down it. The kids scream in agony. Riley then turns back towards the group, smirking.

RILEY (CONT'D)
Now that I have your attention, can we please focus on the matter that, we have no focus?

JENNIFER
Can we please just like, not do this? I'm having too many feels over CW shows.

RILEY
How about we don't be basic for two minutes and focus on the non focusing!

Hayley stands up behind Riley.

HAYLEY
You already said that.

RILEY
I know, I'm out of focus too.

Ivy then stands up.

IVY
Um, excuse me? I don't want to interrupt our little awkward pow-wow. But why don't we go party?

TATUM
Yeah come on, Katerina's Party? We could go and let loose?

RILEY
As much as I would love to get drunk and have some fun with my new boyfriend? We have a play to write.

IVY
At my old school--

Everyone groans.

IVY (CONT'D)
--Whenever we were in a funk, we went and partied. We all did "The Party Buddy System". We split into groups. We go, have fun, have a few drinks. Then tomorrow, we all get together, and write.
(beat)
And who knows, maybe one of us will get an idea.

Hayley looks at Riley.

RILEY
Fine. We'll go. But on one condition, if one of you pukes or makes out with a random stranger? You're going to wish you had never met me.

Everyone starts packing up. Christy looking a bit concerned.

CHRISTY
She's not serious is she?

LIV
It's Riley. I heard she once made a kid disappear after he broke a promise to her. But again, that could be a rumor.
(beat)
Or it's the truth.

Christy's eyes widen in horror.

EXT. KATERINA'S HOUSE - NIGHT

The Party is in full swing. The 12 Drama Kids walk up, all of them ready for the night. Hayley turns around and addresses the group.

HAYLEY
Alright you guys! According to Ivy, we should use the buddy system.

IVY

Yup! It's the one way to not get pregnant.

RILEY

Yeah we really don't want that, cause I'm not dragging you around as you look around for Pink Elephants.

HAYLEY

So groups are, Christy and Misty. You guys seem to get along. I don't know why. Cal and Tatum.

Tatum looks over at Cal, smirking at the boy.

HAYLEY (CONT'D)

Ivy and Liv, you guys have three letter names. Riley and Danny, *obviously*. Fiona and --

RILEY

Fiona and Jennifer!

Jennifer jumps up and down in excitement. Hayley looks at Riley as everyone disappears into the party.

HAYLEY

What the *hell* are you doing? I was supposed to be with Fiona!

RILEY

Well changes of plans. You and Will are partners now. And you know what that means, you're buddies at a party, and get married by senior year.

HAYLEY

No, Riley I can't be--

RILEY

(loudly)

--You know I can't hear you over the music!

(beat)

Look I'll see you inside, or when I'm not making out with Danny.

Riley and Danny run inside. Hayley turns and sees Will standing there, hands in his pocket.

HAYLEY
 Sorry, I didn't mean to --

WILL
 -- I'm not angry at you.

HAYLEY
 Oh thank god. I thought because of
 me kinda almost kissing you and
 then not talking too you because
 I'm super awkward and --

WILL
 You had every right too you know?
 Avoid me.

HAYLEY
 I probably could've handled it
 better.

The two stand awkwardly. She then sighs and grabs his hand.

HAYLEY (CONT'D)
 How about? Water? Under the
 bridge? And we try to be friends?

WILL
 (nodding)
 Agreed.

Will and Hayley begin to walk in.

INT. KATERINA'S HOUSE, FRONT FLOYER - CONTINUOUS

Hayley and Will walk in, still holding hands. The Party is
 loud and everyone is having a good time.

WILL
 (yelling)
 I'm going to get us some drinks!!

HAYLEY
 (yelling)
 What?!

WILL
 I'm gonna get us some drinks!!

Hayley just nods, not understanding a word Will said. He
 then heads off, going over to the keg. Hayley goes to lean
 against a wall, but she hits a making out couple.

HAYLEY

Oh! Sorry! Get back to your,
kissing, or sloppy kissing thing.

(beat)

What? I'm just--

MAKE OUT BOY

--Leaving?!

HAYLEY

Yeah that!

She then darts off.

HAYLEY TALKING HEAD

HAYLEY

(yelling)

I've never been to a party before!
It's like, I've never been so
overwhelmed by the stench Teen
Hormones and Beer! I don't think I
should be excited about that! But I
am!

EXT. KATERINA'S HOUSE, BACKYARD - NIGHT

Kids are standing around the pool. Will stands at the keg,
getting his and Hayley's drinks. A hand claps onto his back,
VINCENT coming into frame.

VINCENT

What's up, baby dick!?

He said, punching Will in the stomach a little bit. Will,
groans out in pain.

WILL

What the hell, man? I told you to
stop calling me that.

VINCENT

Oh come on, girls appreciate the
small things in life.

Vincent burst out laughing, his beer spilling a bit.

WILL

You're drunk.

VINCENT

And I'm dating your ex. But Bro-Code aside, I feel really bad about it.

WILL

Yeah, sure you do.

Will just tries to pour his beer, Vincent not leaving.

WILL (CONT'D)

Vince, is there something I can help you with or are you gonna make a bad small penis joke.

VINCENT

No! Of course I don't. I'm not that much of an ass.

(beat)

Yes I am. But dude, you're here with the Parker chick?

WILL

We're just here as friends.

VINCENT

Dude, who cares about being friends.

WILL

She's a really nice girl.

VINCENT

Yeah, but you so have a thing for that chick! And if you have a thing for her! You gotta do something about it. Be assertive!

WILL

This is why girls don't date you. And why you're the reason why the "Straight White Boy" stereotype is so bad.

VINCENT

At least my Dad can say I did something right.

Will walks past Vincent. Vincent looks towards some girls.

VINCENT (CONT'D)

Hello-ooo ladies.

He walks off.

INT. KATERINA'S HOUSE, HALLWAY - NIGHT

Riley leans against a wall, sipping at her beer. Danny walks in.

DANNY

This is crazy! I've never been to a party like this before.

RILEY

(sarcastic)

Yeah the stench of teenage depression is so cool.

DANNY

Oh come on. Not all of us have been to parties like this.

Riley looks around the room.

INSERT on the wall is a signed record from JOURNEY. She then looks at Danny.

RILEY

Who knew Katerina's parents like Journey.

DANNY

Are you kidding? Everyone loves Journey!

RILEY

Oh come on? You only like them because of Glee.

DANNY

Don't Stop Believin' is one of my favorite songs.

RILEY

God you're so weird. But that's what makes you an awesome boyfriend.

DANNY

So I'm the boyfriend now?

RILEY

What too soon?

DANNY

No... I kinda like hearing it.

Danny chuckles and Riley then thinks for a minute.

DANNY (CONT'D)
If only we could do a play with
Journey music, ya know.

RILEY
Yeah... If only.

INT. KATERINA'S HOUSE, LIVING ROOM - NIGHT

Will comes in with the two beers, Hayley smiles and takes it.
Hayley is a bit reluctant on it.

WILL
Is everything okay, Hayley?

HAYLEY
(unconvincing)
Yeah, I just. Beer. My favorite
drink.

WILL
You've never had beer before have
you?

HAYLEY
I've never done anything ever.

WILL
(quickly)
Prude.

Hayley then elbows him in his stomach.

HAYLEY
Just because I'm so pure and
innocent, doesn't make me a prude.

WILL
Oh really? Then what does it make
you?

HAYLEY
It makes me Hayley.

Hayley then looks at the beer and then she begins to drink
it. Instantly, she gags.

HAYLEY (CONT'D)
That was disgusting.

WILL
 (laughing)
 It really is. But, it's the part
 after that makes it really fun.

HAYLEY
 You've been drunk?

WILL
 Oh hell yeah. Last year, I threw up
 so much that I almost ruined my
 Dad's speech at the Children's
 Center.

INT. KATERINA'S HOUSE, KITCHEN - NIGHT

Katerina just finishes up doing a shot. She looks up and
 through the doorway. Hayley and Will stand there, talking
 and laughing. Katerina's snaps her fingers and Nellie coming
 running over.

KATERINA
 What is she doing here?!

NELLIE
 You invited her. Remember?

KATERINA
 Of course I remember that! I just
 didn't think they would show up!
 Like just because you're invited
 somewhere doesn't mean you show up!
 (beat)
 How many of those dweebs are here?

NELLIE
 I think all of them.

Katerina then looks to her left, not seeing Izzy.

KATERINA
 Where's the other one?

EXT. KATERINA'S HOUSE - BACKYARD - NIGHT

Izzy is upside down, doing a keg stand. Everyone cheering
 her on as she does.

CROWD
 IZZY! IZZY! IZZY!

Izzy then falls off the keg. Everyone stops cheering.

But then she gets up, cheering herself on.

IZZY
 (screaming)
 I'm so f**king wasted! Where's my
 bra?!

INT. KATERINA'S HOUSE, KITCHEN - NIGHT

KATERINA
 Hayley is breaking the number one
 girl code rule and that is she is
 making a move on Will.
 (beat)
 You don't just do that. It's like,
 the rules of feminism.

NELLIE
 I don't think that's right--

KATERINA
 --Don't correct me. I'm always
 right.
 (Beat)
 But I think it's time to show who
 the true Queen of Serenity is.

NELLIE
 How?

KATERINA
 You'll see. They'll all see.

Nellie looks behind her, grabbing a shot and taking it.

NELLIE TALKING HEAD

NELLIE
 (drunk)
 I feel like, maybe Katerina is
 overreacting? But at the same
 time? I don't know. Maybe I'm the
 bad guy? Maybe I'm Katerina.
 (beat)
 Dude that's so f***king meta!

EXT. KATERINA'S HOUSE, BACKYARD - NIGHT

Fiona stands on the diving board. She then throws off her
 shirt.

FIONA
Who dares me to jump into the
pool?!

No one answers.

FIONA (CONT'D)
I'm going to do it for my fans!

She then jumps into the pool. A giant splash, landing on a few girls. They scream loudly.

FIONA (O.S.)(CONT'D)
Holy Kangaroo! It's freaking cold!

Sitting next to the pool, Tatum and Cal sit.

TATUM
But the premise of Supergirl is great! A female superhero is just what we need. As much as I love the sexy abs on the CW superhero shows. We need a strong, Supergirl. I mean Clark Kent could be a bitch sometimes.

CAL
Yeah, but Clark Kent is seriously one of the coolest heroes ever. But hand him a green rock and he turns into a bitch.

TATUM
You know, I've been wondering, all we talk about is Superheroes.

CAL
Because they are cool.

TATUM
Yeah, but, who's Cal?

CAL
What are you trying to get deep with me?

TATUM
In some way or another.

Cal then leans forward and presses a kiss to him. He then pulls back quickly, blushing slightly.

CAL
Sorry.

TATUM

Don't be.

Tatum and Cal then reconnect their lips.

BLACKOUT:

END OF ACT TWO

ACT THREE

FADE IN:

INT. KATERINA'S HOUSE, LIVING ROOM - DAY

Misty and Christy stand at the table, playing beer pong with a couple of the jocks. Misty gets a ball into the cup.

MISTY

Wah-hoo! Drink bitch!

Christy and Misty laugh as they both watch the guys drink the beer.

COCKY JOCK

God you girls are not as annoying
as we thought.

CHRISTY

Oh thank you! That's really a nice
compliment.

DUMB JOCK

I love French accents!

Sitting on the couch, Will and Hayley sit next to Riley and Danny as they make out.

WILL

Okay, who was your first kiss?

HAYLEY

Easy, it was Devon Mass. Seventh
Grade. First Boy/Girl party. And
it was seven minutes in heaven.
But it was more like six minutes of
him crying because he thought he
lost his virginity.

WILL

What ever happened to him?

HAYLEY

His Mom pulled him out of school,
sent him to an all boys Private
school, and now I think he's gay.

WILL

You don't have the best of luck
with guys.

HAYLEY

Well it's a good thing we didn't make out then.

(beat)

Sorry, I shouldn't have brought that up. I think I'm drunk? Is this what drunk is?

Will laughs a bit and holds two fingers up.

WILL

How many fingers am I holding up?

HAYLEY

I think seven? But I don't know. I just, I really, *really*, like--

WILL

Okay, I'm stopping you from saying something you will regret.

HAYLEY

What is there to regret? I'm the biggest loser in school. I have a 4.0 GPA. And this is my first time being drunk.

WILL

Yeah but you look cute while doing all of that.

Hayley looks at him, wide eyes as she looks up at him. She the bursts out laughing, pushing Will gently.

HAYLEY

Pfft! You're way too funny!

WILL

Yeah. Sure.

Will doesn't look happy at all with Hayley's reaction and just goes back to drinking his beer.

Riley then pulls back from Danny's lips, seeing Will's disappointment. She gets up and grabs her brother, pulling him out of the room.

INT. KATERINA'S HOUSE, HALLWAY - CONTINUOUS

Riley pushes Will against the wall.

RILEY

You're kidding right?

WILL

What are you talking about?

RILEY

You and Hayley? The only reason I put you two together is so you could make one big mistake, but then through that big mistake become a couple.

WILL

Look, I just want to be friends with her.

RILEY

No you don't. You like her! I know for a fact you do! Your palms are sweating, and I'm pretty sure when she touches you, you're at half mast.

WILL

Dude! I'm your brother!

RILEY

And I'm the only one who is going to call you out on your crap!
(beat)
Now get out there, tell her you have a crush on her and then go make bad choices.

WILL

Mom said don't make bad choices.

RILEY

She also said don't join the Drama Club, and yet, here we are.

She then pushes him back into the living room.

INT. KATERINA'S HOUSE - LIVING ROOM - CONTINUOUS

Will gets pushed out of the Hallway. Hayley is standing on the couch, drunkenly dancing to the music.

HAYLEY

Will! My best friend! Come dance with me!

WILL

Hayley! I would get down before you--

Just as Will says that, Hayley slips on the cushion and is about to fall, Will runs over and catches her in his arms.

Hayley's beer spills all over Will and he coughs. He still holds her in his arms, but the two still fall over.

Hayley starts to laugh, snorting a bit as Will holds onto her.

HAYLEY

Dude, that's like so not cool.

WILL

Me catching you?

HAYLEY

No, Gravity!

(beat)

Oh my god, you got all wet. I'm so sorry! Let me clean you up!

Hayley stumbles up and brings Will out of the room. Riley walks back in, sitting next to Danny, watching as her Brother and Hayley walk out.

DANNY

Everything okay?

RILEY

Yeah. They need to realize they might actually be good together. He's a rich boy, and she's a small town girl.

DJ (O.S.)

Alright everyone! We're gonna slow it down. And lets listen to one of the best songs written by Journey.

All of a sudden, over the stereo system--

MUSIC: FAITHFULLY - JOURNEY

--starts playing. Riley then looks as Hayley and Will walk up the stairs. Her face then turns into that sly smirk.

DANNY

Wait I know that look. That's your idea look.

RILEY

I think I just figured out an idea for the play.

She smiles and turns to Danny.

CUT TO:

INT. KATERINA'S HOUSE, BATHROOM - NIGHT

Hayley and Will both pile into the bathroom. Hayley looks at Will.

HAYLEY
Okay take off your shirt.

WILL
Do you really think that's a--

HAYLEY
--Don't make me take it off for you.

Will then takes off his shirt. Hayley stands there awe struck.

HAYLEY (CONT'D)
Wow, that was, I feel like I should throw a dollar at you.

WILL
(laughing)
Calm down, this isn't a strip club.

HAYLEY
Yeah but it could be.

She then grabs a towel and starts drying him off a bit.

WILL
So I uh --

HAYLEY
-- will pay to have your shirt cleaned.

WILL
Hayley...

HAYLEY
And I will so never, ever, get drunk again. Because I sound like I'm about to make out with you.

WILL
(quickly)
Are you?

HAYLEY

No! Silly goose. I'm just going to dry you off. And, how many times a week do you work out -- ?

WILL

-- Hayley we both know you and I can't be friends.

HAYLEY

-- Cause your arms are really impressive.

WILL

I like you.

She looks down but Will picks up her chin.

WILL (CONT'D)

Hayley, I like you. I like how you see the good in people, and just be yourself.

HAYLEY

You're just saying that to make Drunk-y McDrunk Drunk me, happy.

WILL

Why would I just say that?

HAYLEY

Because maybe you're drunk.

WILL

(laughing)

Hayley, I like you. I just need to know. Do you? Because if you don't then I look like a big idiot.

HAYLEY

Of course I do. Why wouldn't I?

The two stare into each others eyes and smile.

WILL

How about, we skip out on the party? Go get some ice cream and talk about stupid stuff.

HAYLEY

Yeah. As long as you're paying. Cause you're rich, and my piggy bank still has no money in it.

WILL
Of course I will. J ust go get your
stuff.

Hayley nods and then throws his shirt at him, both of them
laughing. Hayley leaves.

Shortly after, the door then slams open, in walking Katerina.

KATERINA
(drunk)
Hello William!

WILL
Katerina, what the hell are you
doing in here? I have to--
(beat)
--pee.

KATERINA
Please, like I would care what
you're doing in here with that
tramp.

WILL
Hey, she's not a tramp.

KATERINA
And I'm drunk. You're almost
naked. So let's just do it.

Katerina then lunges forward, kissing Will in passion. Her
body pressing up against him. Hayley then walks up, seeing
Will and Katerina kissing. Her face dropping and eyes
watering.

Will pushes Katerina off. But he then sees Hayley standing
in the doorway.

WILL
Hayley--

Hayley runs down the stairs.

KATERINA
Oops?

Will pushes past Katerina, running after Hayley. Katerina
laughs to herself.

KATERINA (CONT'D)
And that is why you don't mess with
me.

She then sloppily walks out of her bathroom.

KATERINA (CONT'D)
Okay heels and being drunk, not a
good combo.

Katerina then falls flat on her face.

INT. KATERINA'S HOUSE, FRONT FLOYER - CONTINUOUS

Hayley comes running down the stairs, pushing past people.
Riley and Danny notice as she runs out and follow her.

EXT. KATERINA'S HOUSE - CONTINUOUS

Hayley comes running out of the house, tears falling down her
face. Riley and Danny come running out after her.

RILEY
Hayley!? What's wrong!?

HAYLEY
(crying)
He kissed Katerina! He freaking
kissed her right after he told me
he liked me!

RILEY
What? Why would he get his soul
sucked out by the devil?

HAYLEY
(crying)
I don't know, can we just get out
of here. I want to go home and go
to sleep.

Riley nods and Danny goes to support her.

Will comes out from the party. Riley sees him and walks
over.

RILEY
What the hell is your problem!?

WILL
Can I talk to Hayley?

RILEY

No! You're going to explain why the *she-witch* and you were kissing and how you did it right after you told Hayley you liked her!

WILL

She came onto me!

RILEY

And I'm just supposed to believe that?

WILL

Yes! Cause I'm your brother.

RILEY

Just because you're my brother does not mean I have to believe you.

(beat)

Hayley really likes you and I thought you liked her too.

WILL

I do!

RILEY

And yet you're still making out with your Ex.

Will runs his fingers through his hair, getting antsy.

RILEY (CONT'D)

Now try and fix things with her alright!?

Riley walks away. Will grunts out in anger, kicking over the mailbox.

BLACKOUT:

END OF ACT THREE

END CREDITS SCENE

INT. SERENITY HIGH, AUDITORIUM - DAY

Maureen sits in the seats, shuffling through some plays. She ultimately just throws the binder down. Riley comes in, holding a bunch of papers, seeing Maureen's struggle.

RILEY

Rough weekend?

MAUREEN

Nothing a good glass of wine can't fix.

Riley walks over, slamming the papers she had in Maureen's lap. Across the front page --

Faithfully

Maureen looks at it.

RILEY

It's a play. Written by me. It's a love story between a small town girl. And a City Boy. They fall in love and stuff.

MAUREEN

Like Journey?

RILEY

Just like Journey.

(beat)

But I thought of it while at the party. It's a really happy love story. But in the end, the boy dies and stuff, so it's actually a sad love story.

Maureen flips through that pages, reading some of the lines.

MAUREEN

This is, really good. You didn't steal this did you?

RILEY

No. I'm not Shia Leabouf.

MAUREEN

You think we can do this?

RILEY

We do it right we can. And easily we can reuse a lot of the sets from *Into the Woods* to make it look like New York.

MAUREEN

Okay, but who are our two leads? We can't have a play without them.

RILEY

Don't worry. I just need some time to figure it out.

Riley sits down next to Maureen.

RILEY (CONT'D)

Is it possible to have someone die in this play?

MAUREEN

Is it brutal?

RILEY

The boy just gets hit by a car.

MAUREEN

Brilliant.

INT. SERENITY HIGH, HALLWAY - DAY

Hayley turns the corner, coming face to face with Will.

Hayley then turns back around and walks away, leaving Will looking sad.

WILL (PRELAP)

I know that I messed up.

WILL TALKING HEAD

WILL

But Hayley is a really awesome girl. And I just want to make it right between us. I don't want to be the one that breaks her heart.

Off Will's puppy dog eyes we --
