TEASER

FADE IN:

INT. PARKER RESIDENCE, HAYLEY'S ROOM - NIGHT

POV: FROM THE VIDEO CAMERA.

HAYLEY sits cross legged on her bed, fidgeting with the camera settings. It goes between too bright, over saturated, and black and white.

Finally, she gets it right and sits back.

HAYLEY

Lets hope this video doesn't become a viral disaster.

(beat)

Okay, Hi, future Hayley. I know this is a bit weird doing this again, but I needed to do it. Right now it is the night before we have to go back to school and deal with all the crap.

She sighs and shuffles around. She then gets up and picks up the camera and begins walking around with it.

HAYLEY (CONT'D)

Now, you're not supposed to watch this video until you officially win Drama Fest. And believe me, you are going to win.

(beat)

You have a bunch of epic friends. And even though they might be a bit crazy to deal with right now, it's all going to be worth it in the end.

(sitting down)

You have an epic boyfriend, two other crazy friends. And most importantly you found your place. It's nice to look back at how much we accomplished. But I can't wait for you to watch this video and look back at how you got to where you are right now, you'll smile.

She then takes a minute, thinking about what she just said.

HAYLEY (CONT'D)

Let's just hope this time you don't upload this to tumblr and end up on "Good Morning America".

She smiles and then is about to click her camera off, but she stops.

HAYLEY (CONT'D)

Alright then, here's to surviving the rest of Sophomore year.

(beat)

Annd, signing off.

(beat)

God, could I be anymore of a dork.

She then switches the camera off.

INT. SERENITY HIGH, HALLWAY - DAY

Hayley walks with DANNY, both of them engaged in a deep conversation. They look like they dreading to be back at school. Everyone around them looking the same.

DANNY

So, my Moms' still won't budge and get me a bike.

HAYLEY

Dude, I don't want you to have a bike. I think the best part about your body, is your smile. And if you get into a killer accident? You'd lose that.

DANNY

*Oh come on.* I never lose my smile. Name one time I lost my smile.

HAYLEY

When I beat you in all of your video games. Cause I remember you were like, extra pouty.

DANNY

(mumbling)

I'm still angry about that.

Hayley laughs and nudges Danny. She then turns to him.

HAYLEY

Do you think Riley and Will are coming to school today?

DANNY

Haven't you talked to Will? At all?

HAYLEY

Ever since his Mom saw us making out before he went on his trip. She took his phone and I haven't heard from him since.

She holds up her phone.

HAYLEY (CONT'D)

(pouty)

Look. Not even a Snapchat story.

DANNY

You think that's bad? I broke my phone because I let my Grandmother use it.

(beat)

You know what she did? She threw it away and said that the Russians are spying on us... again.

HAYLEY

Little Grandma Ford always thinks the Russians are watching her. Hasn't your Mom put her in a home yet?

DANNY

If my Mom tried to do that, she would break out her shotgun and try and reenact the World War Two.

Hayley laughs softly and looks off in the distance to see both WILL and RILEY walking in. Will wearing a cast on his left arm. Hayley then darts off.

HAYLEY

(yelling)

WILL!

WILL

HAYLEY!

Hayley and Will meet in the middle and embrace each other. Will grunts in pain as Hayley hits his arm.

HAYLEY

Oh! I'm sorry!

WILL  
(in pain)  
It's not that bad. I can survive.

Riley then darts off past them, eagerness on her face. Danny then opens his arms for her.

DANNY  
(to Riley)  
Hey you!

Riley then jumps and tackles Danny down. Both of them fall to the floor with a loud thud.

BLACK OUT:

END OF TEASER

ACT ONE

FADE IN:

INT. SERENITY HIGH, HALLWAY - DAY

Standing at their locker, LIV sorts through the mess as papers and bags of lunch fall out of her locker.

LIV (PRE-LAP)  
There are things I am good at.

LIV TALKING HEAD

LIV  
Like dancing to Bollywood music and going hard at a DJ concert. But keeping my locker clean.  
(shakes head)  
I feel like I belong on an episode of *Hoarders: Buried Alive*.

BACK TO SCENE

Liv continues shuffling as a pair of hands cover her eyes. Liv sighs and puts her hands on her hips.

LIV  
Let me guess, you're a spunky red head with a passion for make-up and all things Channing Tatum.

Liv pulls the hand off her eyes and turns to meet eyes with IVY.

IVY  
How did you know it was me?

LIV  
You're the only one in the Drama Club who uses Vanilla, Coconut Butter, Avocado and Pomegranate hand lotion from the Miley Cyrus "Creamz" collection.

IVY  
Well, damn me and my smooth hands.

Ivy then hugs Liv tightly and pulls back, holding Liv's arms.

IVY (CONT'D)

So, did you get the tickets we needed?

LIV

To DJ Won Ton? Oh, hell yeah! My Mother said to me --

(indian accent)

Liv Camilla Underwood, I don't understand why do you call them sick beats. Vegetables cannot get sick.

Ivy snort laughs.

IVY

Your Mom is so freaking cool. Remind me to get her spiced curry ribs recipe.

LIV

I thought you were going vegetarian?

IVY

I gave up on that, I went one week without bacon and honestly it was the worst feeling ever.

LIV

Well, aside from getting a very good dish, we should do something tonight after Drama.

Ivy bites her lip and glances down at her feet before looking back up at Liv.

IVY

I actually have plans.

LIV

Oh really? Is Maureen treating you to a night out?

IVY

No, I'm actually hanging out with Connie.

LIV

Connie? You mean Connie Mitt? Are we sure we're talking about the same Connie.

IVY

Yes we are. Over break, Connie and I started hanging out and we sort of found, common ground.

LIV

Common ground in what? Ripping the hair out of underclassmen.

IVY

I would never do that.

LIV

Oh yeah? Both you and I know that you have done that.

Ivy gets uncomfortable and pushes Liv gently.

IVY

Alright, lets just move on from talking about Connie and get to class before we get in trouble for being late.

LIV

A Queen is never late, everyone else is simply early.

IVY

You got that from Julie Andrews didn't you?

LIV

What, she's the Queen of Genovia!

The girls laugh and head off, now passing another pair from the Drama Club.

CAL is on the floor, pulling books out of his locker, stacking them in a neat and orderly fashion. TATUM leans against the lockers, looking all cool and jockish.

TATUM

I still don't get why you actually bother carrying books.

CAL

Because some of us actually want to pass High School and get into a good college.

TATUM

Babe, come on. We're sophomores,  
we don't have to worry about  
college until graduation day.

CAL

You do realize that with sophomore  
year they start looking at grades  
and stuff?

TATUM

I won't have to worry about grades,  
I'm a beast out on the field.  
(smirking)  
And also in the bedroom.

Cal's eyes widen and he grabs his sweatshirt and throws it at  
Tatum.

CAL

I told you that you can't be sexual  
in school. It's creepy and  
offensive to some people.

TATUM

Oh come on, it's who I am. I'm a  
predator.

CAL

Well, the predator needs chill it  
out before a hunter comes in and  
takes my place.

Cal gives a small laugh and looks at Tatum as he laughs as  
well.

CAL TALKING HEAD

CAL

Yes, over break, I gave into Tatum  
and we, you know, did it. I mean  
it was my first time, it wasn't  
his. But it still was special.

(beat)

A lot of people say gay sex is a  
sin. But I thought it was Sin-  
sational!

He laughs and then slowly starts to die down. He then sighs.

CAL (CONT'D)

It amazes me I still have a  
boyfriend after I make puns like  
that.

(beat)

I lied, I stole that from Tumblr.

BACK TO SCENE

Cal stands up and shuts his locker.

CAL

Okay, so after Drama, I think you  
and I should sneak off and go to  
that movie we've been wanting to  
see.

TATUM

I don't know, babe. My parents  
aren't home tonight, my Mom is  
getting another medal for being a  
war hero and my Dad is taking the  
advantage of the open bar.

CAL

(sighing)

Look, just because I slept with you  
once, doesn't mean I want to do it  
all the time. I did it because I  
was in a heat of passion and I  
just, felt it.

(beat)

But I just want to do normal,  
boyfriend/boyfriend stuff.

TATUM

What do you want to do? Take a  
cooking class?

CAL

No, I just think we should go back  
on the things to Slowsville.  
Winter Break is over and we're back  
at it.

Tatum smiles and leans in, kissing Cal's lips.

TATUM

Okay, I gotta head to the gym, see  
you at lunch?

CAL

You got it dude.

Tatum walks off, leaving Cal to himself. Walking past Cal, FIONA, typing furiously on her phone.

FIONA  
(to herself)  
And that is why I will never come back to Melbourne after a Kangaroo stole my bra and wore it on his head.

Suddenly, she collides with a tall, lean boy wearing a soccer jersey and jeans, meet ALLEN BRIGGS. Both of them fall back, things getting tangled up together. Fiona groans and sits up.

FIONA (CONT'D)  
You better watch where you're going. I know a good place I can stick a Didgeridoo.

ALLEN  
What is that? Is that Scooby Doo's cousin or something?

Fiona then notices who she ran into. Her cheeks turn a bright red.

FIONA  
Y-y-you're... Allen Briggs.

ALLEN  
Yeah. Well, you did run into me pretty hard and I could be Prince William.

FIONA  
That would be much better, honestly.

Allen then laughs and stands up, he extends his hand and helps Fiona up.

ALLEN  
Well, sometimes I wish I was that cute too.

FIONA  
I'm not saying you're not cute.

ALLEN  
So, you think I'm cute?

Fiona then stops and starts to stammer a bit.

FIONA

I-I-I-I...

(beat)

The average Aussie drinks 95 liters  
of beer per year.

The two then stand there for a moment. Allen then clears his  
throat and hands Fiona her books.

ALLEN

That's good to know... uh....

Suddenly, an arm wraps around Fiona and it belongs to  
JENNIFER. She smiles and looks at Allen.

JENNIFER

This is Fiona Westley. Exchange  
student from Australia.

ALLEN

Australia? I never would've  
guessed.

FIONA

(yelling)

We have Kangaroos and Finding Nemo!

Jennifer laughs nervously, seeing the trainwreck that is  
happening to Fiona.

JENNIFER

She'll see you around, Allen.

ALLEN

Yeah, I'll see you around, Fiona.  
By the way, I love your sweater.

Allen gives a warming smile and then heads off. Fiona then  
sighs loudly.

FIONA

Oh my god, what the bloody hell  
just happened.

Jennifer begins to walk with Fiona.

JENNIFER

You're in love.

As they walk off --

-- The Main Four are split up into their couplings as they  
walk hand and hand. Hayley paying close attention to Will as  
he continues to talk. Riley and Danny doing their own thing.

WILL

So then I skied down the slopes,  
only to fall and sprain my arm.  
But to be fair, it was a pretty  
cool jump.

(beat)

Only to be stopped by a really  
painful pine tree.

HAYLEY

Oh my god, that is so awesome.

(beat)

Wait? No it's not. You got hurt.  
And here I am being the bad  
girlfriend. I should bring you  
soup, right?

WILL

No, you're being perfect. And you  
don't have to bring me soup.

HAYLEY

I just missed you.

She leans up and kisses his cheek. Riley "gags" as she  
watches the two. Hayley pulls back and looks at her, sighing  
a bit.

RILEY

God, it's like watching a bad Soap  
Opera that's been on for one  
hundred years. I swear, you two  
gross me out.

DANNY

Yeah but we're cute right?

RILEY

Of course we are. In the year book  
we'll be under, Cutest and Most  
Scariest Couple.

DANNY

Aw, how sweet.

He kisses her cheek and Hayley just laughs. She turns her  
attention back to Will.

HAYLEY

So, Drama Club is going to be a  
*thing*.

WILL

I really wish we could just quit.

HAYLEY

We're not quitting. We're not quitters. We're going to just show up, smile and look pretty while doing it.

RILEY

I think we should quit and start the *Anti Drama Club*. We could have cupcakes and cookies, and a lot less Katerina.

HAYLEY

We gotta be nice. Her *Daddy* is donating money.

DANNY

Are we sure it's her actual Dad? Or is it a different kind of Daddy?

RILEY

Katerina doesn't have the seriousness to have a Sugar Daddy. You gotta commit to that *s\*\*t*.

DANNY

You act like you're an expert on the subject.

RILEY

I've done my research.

Danny laughs for a second and then thinks about it. The group stops and they all turn to each other.

HAYLEY

Okay, so can we all agree on this. We just ignore Katerina and hopefully she'll just go away.

RILEY

I tried that for the five months she dated my brother. It didn't work out because *clearly* I'm still in that period of hell.

WILL

(annoyed)

Wow, way to bring up old memories.

RILEY

It's what I do best. I ruin your life and occasionally steal twenty bucks from your wallet when you're not looking.

Will shakes his head but Hayley kisses his cheek.

HAYLEY

I'll see you at lunch? Twenty bucks *less* obviously?

Riley shrugs and reaches into Will's pocket, pulling out his wallet and going through it. He doesn't notice.

WILL

Yeah. And I brought extra cookies.

HAYLEY

Okay, I'm never breaking up with you.

Will walks off leaving Hayley smiling like an idiot. Riley then snaps her fingers in Hayley's face and Hayley snaps back into reality.

HAYLEY (CONT'D)

Oh. Sorry. I was just looking at his arms. Have you noticed how nice they are? Also, his smile?

RILEY

God, I wish you were single again.

Riley and Hayley loop arms and walk into class with Danny. Will then comes back, walking into the classroom.

WILL (O.S.)

Give me my wallet back.

Riley groans. But Will doesn't exit.

WILL (O.S.) (CONT'D)

And my emergency credit card.

RILEY (O.S.)

Come on, you're no fun.

Will groans and then exits the room. --

-- Exiting from the computer lab, wearing very bright colored outfits, CHRISTY and MISTY skip down the hall, handing out equally brightly colored posters.

CHRISTY (PRE-LAP)  
 Over break, we the two makeup gurus  
 of the Drama Club, took it upon  
 ourselves to make new posters.

CHRISTY AND MISTY TALKING HEAD.

MISTY  
 It was seriously a hard choice to  
 pick from which color we wanted.

CHRISTY  
 We had a choice between Uzo Aduba  
 Orange.

MISTY  
 Dicaprio Gold.

CHRISTY  
 Hallie Berry Blue.

MISTY  
 Lea Michele Maroon.

CHRISTY  
 And our personal favorite.

MISTY  
 Pink...  
 (beat)  
 With an exclamation point.

BACK TO SCENE

Christy and Misty stand at a bulletin board, covering it in  
 the Drama Club posters. Misty going crazy with the staple  
 gun to make sure everything sticks up.

MISTY  
 If this doesn't stay up, I'll be  
 surprised. I used the industrial  
 staples that they used to build the  
 Empire State Building.

As they turn to walk away, the posters are being ripped down  
 by none other than our favorite, NELLIE and IZZY.

Christy turns around and stomps her foot.

CHRISTY  
 Oh come on! We spent all our free  
 period putting those up.

NELLIE

Sorry, but we have told you already  
in the email we sent out --

IZZY

-- all Logos, posters and anything  
created by Riley Hamilton are not  
to be used because it's gross and  
covered in evil girl goo.

Nellie turns and looks at her.

NELLIE

That's not what the e-mail said.

IZZY

I think my e-mails might have  
combined with the e-mail I sent to  
my doctor, asking him about female  
mucus coming out of my -- !

NELLIE

-- Okay, gross.

(beat)

But sorry ladies, all these posters  
need to come down.

MISTY

That's not fair, we worked really  
hard on those.

NELLIE

It doesn't matter. We have new  
ones.

Nellie pulls out bright pink posters, with a badly designed  
logo on it and bad font choices. There is COMIC SANS!

MISTY

That's horribly designed.

NELLIE

These were designed by my baby  
cousin who suffers from acute  
appendicitis! How dare you be so  
rude about her troubling time.

Nellie begins to put them up. Izzy, of course, does it the  
wrong way by putting them upside down.

MISTY

You know this is wrong.

NELLIE

We don't care. Katerina owns the Drama Club and there is nothing you can do to stop us.

(beat)

Ta Ta Ladies. May we meet again.

IZZY

Yeah, in the Drama Club! Where we belong, as losers.

Nellie just ducks her head in shame and sighs.

Down the hall -- a tall, clean cut, nerd-y looking boy flipping through a giant text book. Meet the nerdy BILLY RYDELL. Suddenly, he looks up and sees KATERINA walking by. His eyes go wide and he suddenly ducks his head.

A girl then walks over, a girl with hair back in a headband and her signature jean jacket, skirt, and converse. Meet the spunky EMERSON (EMMY) RHODES.

EMMY

Why do you look like you just saw a ghost?

BILLY

I didn't. It's highly improbable that ghosts exists.

EMMY

Yet you worship a giant big foot that flies a spaceship.

BILLY

His name is Chewbacca and he's a Wookiee.

EMMY

Whatever helps you sleep at night.

She said as she starts to open her locker. Billy then leans forward to talk but Emmy puts a finger in front of his face to stop him.

EMMY (CONT'D)

If the next words out of your mouth are, are you going to be "Are you okay?" Or "It's going to be okay", I will break your glasses so fast, you're gonna be seeing more stars than a Red Carpet event.

BILLY

Look, it's just that I'm worried okay? It took my parents forever to get through the adoption.

EMMY

And I finally have a family I can look at and be happy about. I know it's a nice white family, but I digress.

BILLY

You know you can consider me your brother right?

EMMY

It's going to take a while for that. But right now, you're just my friend who I just happen to live with.

Emmy then reaches into her bag, pulling out a camera and taking a picture of Billy.

BILLY

What did you do that for?

EMMY

I'm trying out to be on the "Daily Serenity". I think I'll call this picture, Scared Of Wars In the Stars.

BILLY

You're so mean to me.

EMMY

Hey, I'm your sister from a different mister.

She then punches his arm playfully and walks off. The bell rings and --

-- Hayley stands at her locker, flipping through her homework. Riley comes walking up next to her.

RILEY

You know, you and Will? I thought it would be a good thing, but right now? It's annoying.

(beat)

Did he tell you about the hot blonde he met in Denver? The one with the huge bazoongas?

HAYLEY

He told me everything.

Hayley shuts her locker and begins walking.

RILEY

Okay, what about how our Mom  
doesn't approve of you taking  
Will's virginity.

HAYLEY

I thought Will and Katerina did it?

RILEY

They did but our good ole Christian  
Mom doesn't know that.

HAYLEY

Look, Will and I are taking it  
slow. I actually want to be a good  
girlfriend.

RILEY

And not make another viral video?  
Because we all know how that worked  
out the first time.

HAYLEY

Seeing at where we are now, I would  
rather go back to avoiding all my  
problems.

RILEY

I would rather deal with bed bugs  
then have to deal with Katerina and  
her constant boss-y-ness.

HAYLEY

Look, things will work themselves  
out, honestly. Katerina is just  
going to show up to one meeting,  
and realize we are just losers she  
knows and hates!

Riley looks behind Hayley and her eyes widen.

RILEY

Speak of the devil...

Hayley turns around and coming down the hallway are THE  
BARBIE DOLLS.

INSERT: On the Barbie Dolls. They strut down the hall,  
walking in slow motion. Everyone stares in awe of them.

Riley and Hayley's heads tilt to the side in confusion.

HAYLEY

Are they really walking in slow motion?

RILEY

God, I hate them so much.

HAYLEY

Yeah but they look so flawless.

Riley nudges Hayley as the three girls approach Hayley and Riley.

KATERINA

Hayley and Riley. My *fellow* Drama Girls.

HAYLEY

Hi Katerina. How was your Winter Break?

KATERINA

Better than *yours*, I bet.

Hayley sighs and Riley rolls her eyes.

NELLIE

I took my girls to my beach house in Hawaii. It was very awesome.

IZZY

Yeah. And just like I thought, there wasn't a blue alien running around.

KATERINA

Honesty to God, Izzy. Stitch is a Disney character.

IZZY

You don't know that. And one day, I will prove that Anna and Elsa are real.

Katerina rolls her eyes, turning back to Riley and Hayley.

KATERINA

I'm so excited to show y'all the changes I have coming for Drama. It's going to be, what do the kids say? So *chill*.

RILEY

Does one of them involve you  
leaving the money and getting the  
hell out of our lives?

KATERINA

Unlike some people of this Drama  
Club, I don't take the money and  
leave. It's like my Daddy says,  
*"Time is money"*. And money buys me  
new clothes and products from Steve  
Jobs.

The three girls walk away. Nellie turns around.

NELLIE

See you in Drama Club, ladies.

IZZY

(turning back)  
Yeah cause--

NELLIE

(stopping Izzy)  
--Nope. Don't do that!

Hayley and Riley look at each other, Hayley in fear but Riley  
looking completely pissed.

KATERINA TALKING HEAD

KATERINA

I bet you're wondering where my  
boyfriend is. But I think the best  
way to describe him now, is ex-  
boyfriend.

(beat)

Vincent left Serenity High. His  
parents moved him and his brothers  
to Colorado. I said we could make  
it work, but he wasn't willing too.  
So I dumped him.

(beat)

But he's gone. I'm single. I rule  
the Drama Club. And I'm popular  
and even hotter than usual. So, I  
win.

And off Katerina's signature exit we --

BLACKOUT:

END OF ACT ONE

ACT TWO

FADE IN:

INT. SERENITY HIGH, CAFETERIA - DAY

The lunch room is bustling with activity as students grab their lunches and catch up with friends. Siiting at the center round table on top of the balcony, looking over the entire room, the Barbie Dolls.

Katerina lays out maps of the Auditorium across the table as she gingerly eats her lunch.

KATERINA

Ladies, we know that we need the stage, but do you think we should remove it for a lounge area?

NELLIE

You know Ms. Johnson said we can't make any alterations to the building.

KATERINA

We try to paint the walls in the girl room pink, and suddenly we can't add a horse range.

IZZY

I already had my horse picked out. His name was Winston Churchill.

NELLIE

Do you even know who that is?

IZZY

I think he gave the "*I Have A Dream*" speech.

Nellie rubs her temples in frustration and then turns to Katerina.

NELLIE

You still think it was a good idea to buy the Drama Club out?

KATERINA

What have I always told you?

NELLIE

Your ideas are always the best.

KATERINA

And what do we not do in this clique?

NELLIE

Doubt you?

KATERINA

And what are we doing right now?

NELLIE

I get it.

Nellie then begins to eat her food.

NELLIE (PRE-LAP) (CONT'D)

I know Katerina is my best friend.  
But it kinda was, forced.

NELLIE TALKING HEAD

NELLIE

See here at Serenity High, there are levels to being the mean girls. You start off as a Barbie Doll and work your way up until your Junior Year and you become a Queen Bee.

(beat)

A Queen Bee rules the school. And I bet you're wondering, who the Queen Bees are here. They're currently away on the study abroad program. They wanted to go to Fiji. But instead they got Canada.

(beat)

But we don't have to worry about them, they'll be back at the end of this year, and then my girls and I will be the new Queen Bees and they'll be gone. If they came back now, it'll literally be hell because they only said they would come back if Katerina messes up. Lets hope that day doesn't come.

BACK TO SCENE

Riley and Hayley stand in line, both of their faces close together as they hold up their phone. On the screen, is MAUREEN who is sitting on the beach. Face-Time.

HAYLEY

It looks so warm where you are.

MAUREEN

It's called Fiji. It's super warm, and Mama has had three Pinta Coolatas, and it's not even noon yet. How are things back at the Home base?

RILEY

We're five feet deep in snow and we still have school, Katerina now runs the Drama Club, and it's not Taco Tuesday. How do you think we're doing?!

MAUREEN

Didn't mean to tug at a nerve.

HAYLEY

She's just being Riley.

MAUREEN

You guys just have to pull it together. You know like how you pull yourself away from the all day breakfast buffet or the hot local who has a twelve pack.

HAYLEY

Wait what's a twelve pack?

MAUREEN

You'll find out when you're older.

Hayley thinks for a minute before shaking her head and getting back to business.

HAYLEY

Okay, so we're going to go over the new drafts that Riley wrote over break, she added in more roles, and got rid of any possible scenes where Will and I could kiss.

MAUREEN

Please, I don't want my show to turn into a kissing fest. It's just weird now that you two are dating.

RILEY

Tell me about it. It's like watching two seals fight over a fish. It's loud and super annoying.

Riley grabs some food and starts to eat it.

MAUREEN

Okay, but whatever you teens do, I don't want to come back next week and find my entire club in shambles.

(beat)

And Riley.

RILEY

I know, don't try and kill Katerina.

MAUREEN

That's my girl.

Riley walks off, leaving Hayley with Maureen.

MAUREEN (CONT'D)

And Hayley? Promise me you won't give up.

HAYLEY

Oh come on, I'm not the same girl I was six months ago.

MAUREEN

Yeah, except this time you gotta deal with your mortal enemy and push through it all.

(beat)

But that's all the advice I'm giving you, Mama needs to go get some French Toast from a French Guy named Perry Le Toast.

HAYLEY

Have fun and tell Mr. Clarke to bring you home safe.

They hang up the call and Hayley grabs some food, starting to walk back over to Riley.

CONNIE sits at the table, drawing on a picture of Katerina, many funny things. Ivy is painting Liv's nails.

IVY

And just like that. Your nails are now, *glitter-tastic*.

LIV

But what if I didn't want them *glitter-tastic*. I asked for black.

IVY

I did them black.  
(mumbling)  
With *some* glitter.

Liv looks at her nails, all of them are different shades, with glitter.

LIV

This is not black. This is "50  
*Shades of Glitter-Tastic Grey!*"

CONNIE

I swear if one of you say *glitter-tastic* one more time! I give you a permanent marker Unibrow.

IVY

Why are you so prissy today?

CONNIE

I'm back at school after Winter Break, where I got the new iPhone and then bent it completely. And we're conspiring with Katerina.

LIV

Not conspiring. More like she bought us out. Kind of like Disney did with Star Wars and Marvel.

IVY

You've been hanging out with Tatum too much.

LIV

Dude knows his stuff about super awesome, female superheroes and space princesses.

CONNIE

We're not talking about a company run by a giant mouse.

(MORE)

CONNIE (CONT'D)

We're talking about the most popular girl in school and her evil minions basically taking over the one thing that makes us happy.

(beat)

Maybe we could crush them with sandbags and all our problems would be, gone.

IVY

Please tell me you're kidding? Cause that would be very messy to clean up.

CONNIE

I never kid. And I would love nothing more than to squash her and her prissy little wanna be's, like the little bugs they are.

IVY

As much as I would love to see her get what she has coming. We have to be civil about it.

(beat)

At my old school --

Connie and Liv groan.

IVY (CONT'D)

Whenever we had problems with someone, we sat down and talked it out. Maybe that's is what we need to do with Katerina. Talk it out like adults?

LIV

Maybe we could get that clown again? Remember the Fall Festival when we scared her so much she fell into a pig pen? And was covered in sh --

CONNIE

-- That was truly a great moment, but I don't think we should do that again.

(beat)

I don't beat up people because they're just mean. I beat them up because they deserve it.

Ivy and Liv then lean in and look at Connie. Connie turns back and looks at the two.

CONNIE (CONT'D)

What?

LIV

Admit it. You love the Drama Club.

CONNIE

I don't love it. I'm tolerating all of you because it's actually keeping me from stealing lunch money from the poor defenseless AV Club.

(beat)

But we should figure out a way to get back at Katerina.

IVY

And how do you propose you do that?

CONNIE

I propose we take away the one thing she loves the most.

LIV

Oh I know this one! Her rose gold iPhone 6s.

CONNIE

No --

(beat)

Her hair.

IVY

(gasping)

You monster.

Connie smirks and starts to pick at Ivy's lunch. Ivy just giggles and watches as Liv notices something going on.

INT. SERENITY HIGH, AUDITORIUM - DAY

Danny sits on the stage alone, playing on his phone. The doors open and Will walks in.

WILL

You skipping class too?

DANNY

Yeah. I don't think I can take *Express Yourself* day again.

WILL

I know what you mean. That new sub that Ms. Jenkins is dating is too busy playing his guitar. I've had to pee for like an hour during his Wonderwall jam session.

DANNY

The teachers at this school are so weird.

WILL

(sitting down)

Yeah, but it's better than having really strict teachers.

DANNY

True dat my Brother from another Mother.

Will looks at Danny and then sighs.

WILL

You know that I really like Hayley right?

DANNY

I know. And I'm going to tell you this once.

(beat)

Hayley is a good girl. All she wants is happiness. If you ruin that happiness. I'll kick your ass.

WILL

I know you will. I can see why you and her are best friends.

DANNY

She's the one person I trust with my life. And I know that she cares about you.

(beat)

I guess that kind of makes us friends.

WILL

Well, we don't have to be.

DANNY

You do remember I am dating your sister?

WILL  
I still don't get that.

DANNY  
Hey, she's pretty amazing once you  
get to know her.

Will and Danny start laughing.

WILL  
God, we're like the two most  
unlikely people to be friends.

DANNY  
Us guys gotta stick together right?

Will nods and from behind them, Riley and Hayley walk up.

RILEY  
God. Now you two are friends? As  
if my boyfriend couldn't be anymore  
corrupt.

DANNY  
We just found common ground.  
Believe me Riley, I'm still on your  
side.

RILEY  
Better be. Because I already have  
Hayley corrupted to the *Dark Side*  
of my Brother.

HAYLEY  
Hey! Offended.

RILEY  
Good.  
(beat)  
Now the four of us need to figure  
out a way to get Katerina out of  
the Drama Club.  
(to Will)  
Will? You dated her and did her  
bidding for five months. What does  
she hate more than clowns?

HAYLEY  
Me.

RILEY  
Well yeah. Why does she hate you  
anyway?

Before Hayley can answer, the doors open and in walks Katerina.

KATERINA

Now skipping class? Is that a Drama Club thing? Because it will not be tolerated. It will be reflected in my weekly reviews.

RILEY

(groaning)

Just the person I did not want to see.

KATERINA

*Oh come on.* I'm not here to make new friends. I'm here to just ruin your lives.

DANNY

Why? We've done nothing to you?

Katerina smirks and then walks closer to Danny, running her finger along his jawline.

KATERINA

You know I always wondered what I would be like to take a man away from Hayley. But I did... once.

Katerina winks at Will. Riley walks over and grabs Katerina's hand, pulling her away from Danny.

RILEY

Well, here is the thing. He's mine.

KATERINA

You don't own him.

(beat)

I'm going to find a way to ruin all of you.

HAYLEY

That's not going to happen.

KATERINA

(smirking)

You have no idea what I have planned. In order for me to figure out what I'm getting myself into, I'm holding auditions. Because at the end of the day, I'm cutting some dead weight.

WILL

You can't do that!

KATERINA

Oh but I can. I found a student  
handbook laying around, persued it  
and discovered that as your leader,  
all changes I make are, in Katerina  
Terms, final.

(beat)

Don't underestimate me.

Off the main fours shock and Katerina's sly smirk we --

BLACK OUT:

END OF ACT TWO

ACT THREE

FADE IN:

INT. SERENITY HIGH, AUDITORIUM - DAY

The entire Drama Club sits uncomfortably as Katerina and her Barbie Dolls sit on the stage. Everyone has a worried look on their face.

HAYLEY

I can't believe this.

RILEY

We'll believe it. Katerina is now our leader. Our Dark Lord. She Who Must Not Be Named.

HAYLEY

I just don't get why the PTA isn't doing anything about this.

RILEY

Because they aren't funding us anymore. Katerina is our PTA. Whatever she says goes.

(beat)

I hate myself for saying these sentences.

HAYLEY

I just don't want Katerina to win this one.

RILEY

We're not going to let her. Connie told me she has a plan to against Kat.

HAYLEY

What is it?

Connie walks over, smirking proudly.

CONNIE

Lets just say that it involves her hair getting ruined.

Hayley looks at Connie, shrugging in disbelief.

HAYLEY

Is that it? You're not going to drop a sandbag on her?

Connie groans in frustration, turning to Liv and Ivy.

CONNIE

(yelling)

*Told you it was a good idea!*

IVY (O.S.)

It's too bloody! And it would look bad on us.

HAYLEY

No, I say we crush her. Literally.

RILEY

Hayley. No. As much as I would love to see her get crushed like a Looney Toon. We all know, that Misty and Christy would rat us out in the courtroom.

Hayley groans and walks away. Riley turns to Connie.

RILEY (CONT'D)

So how do you plan to ruin her hair? Please tell me it involves some stinky fish and a homeless man named Rick the Dick.

CONNIE

Let's walk and talk.

The two girls start walking. Hayley walks over to Will and sits next to him.

HAYLEY

I hate this. I *absolutely* hate it.

WILL

It's all going to get better.

HAYLEY

That's what Danny said after my video came out and look where we are now. Here, being ruled by Katerina and her two minions.

WILL

It's just another chapter, babe.

HAYLEY

Ew. Don't call me babe. Like be original dude.

WILL

What should I call you then?

HAYLEY

The best person you've ever met in your whole life?

(beat)

Or you know, Hayley.

Will puts an arm around her and rests his head on the top of hers.

HAYLEY (CONT'D)

(mopey)

This place was supposed to make me happy but now all it's doing is making me sad.

WILL

Well you can't let it. I think in a few weeks, Katerina will get bored and everything will just go back to normal.

(beat)

Normal in a sense where we have zingy one liners and really weird after school rehearsals.

HAYLEY

If you're wrong I'm kicking your ass.

WILL

I swear you and Danny just wanna kick my ass.

HAYLEY

I don't have a white belt in Karate for nothing.

Will chuckles and Hayley laughs with him.

On the stage, Katerina sits at a table with Nellie and Izzy by her side. Izzy files her nails.

KATERINA (PRELAP)

I'm ready to prove once and for all

--

CUT TO:

KATERINA TALKING HEAD

KATERINA

-- that I do not play around. I'm ready to prove that I am the number one in this school.

(beat)

I really say that a lot and really don't act on it don't I?

BACK TO SCENE

Fiona sits alone, doddling on her notebook.

INSERT: On Fiona's notebook, "Mr. And Mrs. Fiona Westly"  
"Allen Briggs is Aussie Hawt <3"

Tatum sits next to her and looks into the book.

TATUM

Girl, you are so in love.

FIONA

(blushing)

Shut up. He's hot.

TATUM

I'm not one to tell you a guy isn't hot. But take it from someone who has had a lot of regretful nights.

(beat)

I just don't want to see you get hurt.

FIONA

It's not like I want to date him. It's just that, I don't think he would date me.

Tatum sighs and puts his hand on hers.

TATUM

If I was straight, I would date you.

FIONA

That's really comforting.

She rests her head on his shoulder and lets out a huff.

FIONA (CONT'D)

Oh my god I want a twinkie.

Tatum chuckles and reaches into his bag. He pulls out a twinkie and holds it in front of her.

TATUM  
Ask and you shall receive, my  
Aussie.

Fiona smiles and takes it. Instantly eating it.

JUMP CUT TO:

Katerina stands up from her table and looks at the Drama Kids.

KATERINA  
Alright, peasants. We're going to  
start the *Secondary Auditions* to  
see weather or not you're worthy  
enough to be in *my* Drama Club.

HAYLEY  
(to herself)  
God I hate you so much.

KATERINA  
Alright first up --?  
(scanning the crowd)  
Danny!

Danny stands up and then climbs up to the stage.

DANNY  
I'll be performing "Mac--".

Riley jumps up, pointing at him.

RILEY  
DUDE! Don't say the M Word.

KATERINA  
What's the M word?

RILEY  
Don't you dare ask that. Don't say  
the M word!

Katerina rolls her eyes and then looks at Danny.

KATERINA  
So, what are you performing. And  
actually say the name of the play!

DANNY  
MacBeth.

A sandbag then falls from the ceiling, almost crushing Jennifer. She looks at it and then takes one step to the side.

A SERIES OF SHOTS

- Misty performing a happy tap dance, the smile never leaving her face.

- Christy juggling some balls and dropping them every single time she fails.

- Tatum rocks out on his guitar. Nellie and Izzy looking at him lovingly.

- Riley walks up on stage. Katerina then waves her off.

KATERINA

That's enough, thank you.

RILEY

I didn't even perform!

KATERINA

Exactly.

Riley huffs and walks off stage. Hayley walks on next, only to be waved off by Katerina.

HAYLEY

Dude seriously?!

- Will spins two basketballs on his fingers and Katerina just watches him lovingly.

JUMP CUT TO:

The Barbie Dolls are deep in conversation as Hayley and Riley pace back and forth watching them.

HAYLEY (CONT'D)

How long can it take to make a decision?

RILEY

Have you seen Izzy in the lunch line? She had a break down over if she wanted pizza or french fries.

WILL

Guys, I think we'll be fine. They can't kick out any of us.

RILEY

Will? You're not helping with the stress levels right now.

HAYLEY

Yeah, babe it's just not a good time to be giving us false positivity.

WILL

So you can call me babe?

HAYLEY

Shush! I'm trying to stress out more.

Katerina then turns around and looks at the group.

KATERINA

Alright, nerds with butt acne! After careful review, I have decided who the two weak links are in this Drama Club. And that is, drum roll please.

No one does the "drum roll". Katerina then coughs, looking at Nellie and Izzy. They start the drum roll, very out of sync. Katerina groans and turns to the crowd.

KATERINA (CONT'D)

Hayley and Riley! You're out.

HAYLEY

WHAT?!

RILEY

WHAT?!

WILL

WHAT?!

DANNY

WHAT?!

JENNIFER (O.S.)

My battery died. Does anyone have a charger?

Katerina walks off the stage, slowly approaching Hayley and Riley.

KATERINA

It's obvious that you are not going to take this club seriously. You didn't even Audition.

DANNY

Because you didn't let them!

KATERINA

Oh I didn't? What a pity.

Hayley walks up to Katerina, fuming.

HAYLEY

Okay! That's it! What did I do to you that made you get on this revenge path?!

KATERINA

You don't remember the Fall Festival? You don't remember how you humiliated me?! This is my pay back. This is my revenge on you.

HAYLEY

Both you and I know this goes way beyond the Fall Festival. I guess, you reposting my video wasn't enough.

Katerina just giggles, villainously.

RILEY

You honestly think that we will just back down?

KATERINA

Oh you have too? As the new leader of the Drama Club, you're out. And really, the entire club will be better off without you.

NELLIE

As it is spoken --

RILEY

Shut the f\*\*k up.

Katerina turns and walks towards Riley.

KATERINA

Student handbook. Paragraph 55.  
Line 69.

Danny and Will chuckle a bit. Hayley and Riley turn to the boys, "are you serious" written all over their face.

DANNY

Sorry.

WILL

Not the right time.

Katerina rolls her eyes and looks back to Hayley and Riley.

KATERINA

In the ruling of student run organizations, the leader of the group, which is me, Katerina! Can terminate members at any time. If it comes down to the members not participating in group activities.

(beat)

And since you did not Audition? You're out of the Drama Club. Please gather your script books and throw them into the trash as you leave. They will be cremated at a later date.

IZZY

Yeah! Have a nice trip! See you next fall!

KATERINA

(groaning)

Izzy, you only say that when someone falls.

Hayley and Riley look around at everyone. They go over and grab their bags walking out. Danny and Will chase out after them.

The rest of the Drama group turns to Katerina, and everyone starts yelling.

INT. SERENITY HIGH, HALLWAY - CONTINUOUS

Riley and Hayley walk out as Danny and Will follow after them. Hayley, obviously on the verge of tears. Riley holds it together.

WILL

We're quitting too then!

Hayley turns around, sighing softly.

HAYLEY

No, you're not. You're staying in Drama.

WILL

Why? We're in this together right?

RILEY

We can't stir up anymore problems then there already is.

DANNY

You love to stir up trouble.

RILEY

Consider this me, giving up. I can't just punch Katerina. If I get into anymore trouble, I'm suspended and I can't have that right now.

HAYLEY

Guys, it is what it is.

WILL

You guys are just going to give up that easily?!

HAYLEY

(tearing up)

We have too! She got what she wanted.

(beat)

She won.

Hayley walks away and Riley follows behind her. Danny and Will look at each other.

INT. SERENITY HIGH, AUDITORIUM - DAY

MAUREEN walks in, wearing a straw hat and a sundress, seeing everyone arguing with Katerina. Maureen then starts to slowly back out and run out of the auditorium.

INT. SERENITY HIGH, CLASSROOM - DAY

Hayley and Riley sit in an empty classroom now, eating out of the same chip bag.

HAYLEY

Well, this sucks.

RILEY

I hate that we can't fight her on it because her Daddy is giving us the money.

HAYLEY

Yeah, if only we could get her out and still keep her money. I mean if she got kicked out of the Drama Club by a higher up, then we could keep the money and she would be out for good.

(beat)

These chips are really stale.

Riley then sits up a bit, eyes widening.

RILEY

Wait? What did you just say?

HAYLEY

The chips are stale?

RILEY

No, the other thing about being able to keep Katerina's money but get her to leave?

HAYLEY

Yeah? I mean her Dad can't pull the money because she left. It was a donation.

RILEY

Oh my god! We just have to get her in trouble! Ms. Johnson can kick her out!

HAYLEY

Yeah, but it won't be easy! Katerina will be one step ahead of us.

RILEY

Then we have to be one step ahead of her.

INT. SERENITY HIGH, HALLWAY - DAY

Standing outside the classroom, WILLOW and ERICK, from Preston High press their ears against the door, listening.

WILLOW

This is insane. I know we hate them, but did we really want to dwindle their numbers?

ERICK

Oh come on, this is exactly what we wanted. Break their spirits and then break their bones.

WILLOW

We're lucky Katerina found that handbook we left in the bathroom.

ERICK

Hayley and Riley are practically their leaders. Maybe this is what we need to split the Drama Club up. No Hayley and Riley, no Drama Club.

WILLOW

But what about Katerina? They're still in the run for Drama Fest. She's too power hungry. What happens if we need to stop her.

ERICK

Also we still have the problems with the other Drama Members, we have to break them up as well.

Willow thinks for a minute. She looks over towards the lockers. She notices THREE PINK LOCKERS. She then turns back to Erick.

WILLOW

Isn't there more than one set of a trio of popular girls in this school?

Willow smirks and Erick and off that smirk we --

Dude. It's funny.

CONNIE  
And it's a fun and harmless prank.
