FADE IN:

Hayley sits in the classroom, glancing back at Will. Will glancing back at her.

NELLIE (V.O.)
The Status Quo of High School is
falling apart.

DISSOLVE TO:

Rose paces back and forth between her desk as Charlie and Maureen sit in front of it, nervousness in their eyes.

ROSE
In my 20 years of teaching and
being a principal, I have *never*
encountered something like this.

DISSOLVE TO:

Hayley and Will stand in the Janitors closet. Very close together.

HAYLEY (V.O.)
You know kinda how in an old teen
Drama? The dorky girl falls in love
with the Quarterback, and her best
guy friend is all like "Hey, I like
you but I'm not good enough for
you".

JUMP CUT TO:

Danny and Hayley sit in the Prop Closet.

HAYLEY
I'm the best guy friend. Will is
the dorky girl. And Katerina is the
Quarterback. The Quarterback always
gets the touchdown.

DANNY
Did you just make a football
reference?

HAYLEY
Don't judge me, I still don't know
what a First Down is.

CUT TO:

Riley walks down the hall, only to be stopped by new character, CONNIE MITT (played by Tristin Mays)

CONNIE

Well, well, well. The infamous Riley Hamilton. I was wondering when I would cross paths with you again.

Riley walks off.

CONNIE (CONT'D)

Oh come on! At least let me tease you some more!
(looking around)
God this school is so boring.

Misty and Christy dance on stage together, in almost perfect sync.

HAYLEY (V.O.)

When the school year started, there wasn't a Drama Club, but a Drama Class.

CUT TO:

The kids sit in the Drama Club, laughing and talking to each other, having a good time.

HAYLEY (V.O.)

Maureen created the Drama Club and we all joined. Weather if it was because we were lost, or we just needed to prove something to ourselves.

CUT TO:

Hayley stands in front of an audience, the entire Drama Club standing behind her.

HAYLEY

We found a family. A weird and dysfunctional family. But a family none the less.

HAYLEY

I have to love myself first.

FOOD FIGHT!

Maureen takes a cake and hits both Carrie and Vicki.

MAUREEN (V.O.)
That song is from the most

Sweet and innocent Lea Michele

All the Drama Kids now sit in a circle, Riley holding Danny's
hand as she smiles proudly.

RILEY
Something I didn't think I would
ever do.

Hayley looks around at everyone.

HAYLEY
All I can say is, whatever happens
next, I want all of you in it. I
want all the fun and crazy
adventures we'll have for the next
three years.

DISSOLVE TO:

The Drama kids all stand up in a group hug.

HAYLEY (V.O.)
And we'll do it together.
