TEASER

FADE IN:

EXT. SERENITY HIGH, PARKING LOT - DAY

Four cars pull up towards the front of the school. The parking lot is completely empty, clearly this is not a school day. The song "Don't You (Forget About Me)" by Simple Minds begins to play.

INT. SERENITY HIGH, AUDITORIUM - DAY

HAYLEY, KATERINA, RILEY, DANNY, and WILL all stand in separate spotlights. All of them looking out towards the audience that isn't there.

HAYLEY

Saturday, Febuary 27th. Serenity High School. Serenity, Virginia.

RILEY

Dear Mr. Goodwin, we accept the fact that we had to sacrifice a whole Saturday for whatever it is we did wrong. What we did was wrong.

KATERINA

But we think you're crazy to make us write an essay telling you who we think we are.

DANNY

What do you care? You see us as you want to see us.

WILL

In the of simplest terms, and most coinvent definitions.

HAYLEY

You see us as, the YouTube Girl.

RILEY

The Bad Girl.

KATERINA

The Barbie Doll.

WILL  
The Quarterback.

DANNY  
And the Best Friend.

HAYLEY  
That's the way we saw each other at  
nine o'clock this morning.  
(beat)  
We were brain washed.

The spotlight then dims on the five and off that we --

ACT ONE:

FADE IN:

INT. SERENITY HIGH, LIBRARY - DAY

Hayley, Will, Danny and Riley walk slowly to the tables and take their seats at tables together. Will with Hayley. Riley with Danny.

HAYLEY

Okay, I thought I hated Mondays at school. But Saturday Detention, was created by Satan.

RILEY

Remind me to never touch a water balloon again.

WILL

I still have water in my ear from the crash down we did on Ms. Johnson.

Will tilts his head to the side, trying to get water out of his ear. Hayley sighs and takes his hand.

HAYLEY

Can't we just skip?

DANNY

You heard what Rose said. If we skip, or don't stay until three, you are banned from Drama Fest.

(beat)

If you skip, we're out of a lead.

HAYLEY

Riley's my understudy.

RILEY

You do realize I only said I would be your understudy because I was being nice. I'm not doing anything romantic with my brother.

WILL

Well, if Hayley is out then I'll be out and then it'll be Danny.

DANNY

I still haven't even learned my lines for my part.

RILEY

Lucky for you, you just play the other Bartender named Todd.

DANNY

And lucky you play my amazing, waitress girlfriend.

The two smile and then kiss each other. Walking in from the doors, Katerina stops dead seeing the four. She then ducks her head and pulls her hood over her head to hid her face.

She then takes the table in the back and hids herself a bit.

Then there is LOUD foot stomping coming from down the hall. The main fours eyes widen.

HAYLEY

Who is running detention today?

RILEY

Oh no... It can't be --

Coming from around the corner, in slow motion. A tall man, buff and scruffy. This is Vice Principal JONATHAN GOODWIN.

He turns his attention to the main four, removing his sunglasses.

JONATHAN

Oh, no. No. NO!

(beat)

Hottest Couples of Serenity High, split it up. Right now.

RILEY

Are you kidding?

JONATHAN

This is not the time for funny business, Hamilton.

WILL

Now, which Hamilton are you addressing?

JONATHAN

The female one.

RILEY  
Are you sure about that?

JONATHAN  
Shut up!

HAYLEY  
Can you not tell us to shut up?

JONATHAN  
You want another Saturday  
Detention, Parker?

HAYLEY  
I really don't.

JONATHAN  
*BOOM.* You just got yourself  
another.

HAYLEY  
I didn't say anything bad.

JONATHAN  
There's one more! Keep going and  
I'll have you for your natural born  
life!

Everyone then settles and separates. Jonathan then walks  
over to Riley, standing in front of her.

JONATHAN (CONT'D)  
Well. Well. Well.  
(beat)  
Riley Hamilton.

RILEY  
Mr. Goodwin... It's been a while  
since we've seen each other.

JONATHAN  
Been taking some time off?

RILEY  
I wrote a play.

JONATHAN  
I don't care.  
(beat)  
And what do I have here. The  
YouTube Girl, her Best Friend, and  
the Quarterback. What did you all  
do to get into my webs of horror?

HAYLEY

I thought this was detention?

JONATHAN

Yeah, but on a Saturday. This is my heaven... and your hell.

He then grabs some paper, slamming it down in front of the kids.

JONATHAN (CONT'D)

Now, you're all going to write me an essay, telling me why you're here and who you think you are here at Serenity High.

KATERINA

Doesn't that seem a bit self centered?

JONATHAN

You know what that's like. Don't you "Barbie Doll"?

Katerina tenses and remains silent. He then smirks and walks down towards the front again.

JONATHAN (CONT'D)

Now, I don't want to hear any talking, loud mouthing, swearing of any kind. If I catch any of you Drama Kids outside this room? Kiss Drama Fest, goodbye.

He then walks out, shutting the door behind him.

As it slams, Riley lifts her head.

RILEY

(yelling)

F\*\*K YOU!

Everyone lets out a sigh and turns to each other, confused.

DISSOLVE TO:

INSERT: The Clock, an hour and a half has passed.

SERIES OF SHOTS

- Katerina sits on a shelf, flipping through some books. After she's finished flipping through them, she throws it to the ground.

- Riley sits at the table, balancing a pencil on her finger as she watches it intently.

- Will and Danny sit on different ends of the library, throwing a football back and forth as they try to pass time.

- Hayley plays with some playing cards, shuffling them repeatedly. She then loses control of the cards and they go flying everywhere. Riley looks over and rolls her eyes.

HAYLEY

What?

JUMP CUT TO:

Riley, Danny and Hayley sit in a circle on the floor, scripts in hands. Will sits on a table, flipping through his own.

RILEY

Okay, and then Todd says to Lyla --

DANNY

(as Todd)

You know that's not how a beer tap works right?

HAYLEY

(as Lyla)

I was just trying to get things together. This place is a mad house -- !

The doors burst open and Jonathan storms over, snatching the scripts out of their hands.

JONATHAN

Did I say you could rehearse for your damn play?

HAYLEY

Can you even say damn to us?

JONATHAN

I don't give a damn.

RILEY

Can I just have my script back? I promise we'll put them away.

JONATHAN

You'll get them back when I feel like it.

WILL  
But we need them!

JONATHAN  
Did you raise your voice at me,  
Quarterback? Remind me, how many  
times you've scored a touchdown in  
the past year.

WILL  
Well -- !

JONATHAN  
-- That's right! You haven't!  
You're too whipped by this little  
YouTube Girl.

HAYLEY  
Hey! You can't talk to us like  
that.

JONATHAN  
I don't care.

Katerina then walks over, standing in front of him.

KATERINA  
You should care! You do realize  
that if the PTA does find out about  
any of this, you'll be fired. And  
maybe the halls will stop smelling  
like that damn skunk cologne.

JONATHAN  
You're really asking for it, Cove?  
You want another Saturday  
detention?

KATERINA  
Would love one, sir!

JONATHAN  
Fine! Another one!

KATERINA  
Now that doesn't seem so fair, sir!  
Why not one more!

Hayley stands up.

HAYLEY  
Katerina! Stop!

KATERINA

I don't care, Hayley. I would love to see him give me another one. My parents would have him fired in an instant once they find out he treated us like criminals.

Jonathan then stands there. Glancing down at the other kids. He then throws the scripts up in the air as they shuffle around in a mess.

JONATHAN

Fine, you win --  
 (childish)  
 -- Ms. Cove. But know this, if you try to stand up to me again? You've got yourself an in-school suspension cleaning up after the ducks.

Katerina nods once and Jonathan walks out. Katerina then lets out a breath and turns back to everyone else.

KATERINA

You're welcome.

She then brushes her hair behind her ear and walks off. Hayley watches and sighs.

HAYLEY TALKING HEAD

HAYLEY

Katerina has been trying. I'll give her that. But, it's hard to kick old habits. I can't trust her.

KATERINA TALKING HEAD

KATERINA

I know this is just another step. I did try to help them with getting back at the Queen Bees. And I am helping with all the tech for the play!

(beat)

It's all just trying for me.

BACK TO SCENE

Will stands in the stacks, flipping through some books and putting them back. When he removes one book --

-- Katerina is standing there. They both jump and look at each other.

KATERINA

Will.

WILL

Kat.

Katerina blushes and looks at him.

KATERINA

You haven't called me Kat since we dated.

WILL

(laughing)

It was just a reflex.

KATERINA

Do you think we could probably talk? Just about a few things?

WILL

Yeah, I'm all ears.

Katerina takes a deep breath.

KATERINA

I'm...

(beat)

Sorry.

WILL

You never say those words.

KATERINA

Well, I lost everything.  
Popularity, being head cheerleader,  
my bathroom, my lunch table, my  
locker, my boyfriend.

Katerina lowers her head, sighing.

WILL

I'm not the real person you should be apologizing too here. Maybe you should talk to Hayley. And then again, she has to apologize to you.

KATERINA

Will, all I want is a second chance  
to get things right again.

(beat)

But first, I need to know you  
forgive me.

Will nods and looks at her.

WILL

You might not have been the best  
girlfriend, but I don't think I  
should treat you like the mean girl  
anymore.

(beat)

Cause, you're not anymore. You're  
just plain old, loser, Katerina  
Cove.

Katerina glares at him and then stuffs the book back in  
Will's face.

WILL (CONT'D)

You know you're not going to gain  
any points doing that.

Katerina removes the book, smiling at him innocently.

KATERINA

Sorry.

WILL

(smiling)

But I do forgive you.

Katerina smiles and nods. Off in the distance, Hayley looks  
over, noticing Will and Katerina smiling. And off that we --

END OF ACT ONE

ACT TWO

FADE IN:

INT. SERENITY HIGH, LIBRARY - DAY

Sitting at the tables again, Riley jots down on the paper as Hayley tears pages out of a book.

RILEY

I got it! Our next play could be about Dragons!

HAYLEY

There probably won't be a next year if everyone keeps on fighting. And if we lose we're back to square one.

(beat)

Doing improv and acting lessons.

RILEY

It won't be all that bad. We're going to win.

HAYLEY

Since when are you this positive?

RILEY

Because I know that my play is kick ass and well done. The only thing that could ruin it, is if you and Will have another make out session during the rooftop scene.

HAYLEY

That's if I even want to act.

(beat)

Will and Katerina were talking.

RILEY

So?

HAYLEY

So?

(beat)

She kissed him once in front of me and tried to kiss him again! She just wants him back. It's all a play!

RILEY

And are you sure that's what she was doing with Will?

HAYLEY

It's Katerina. I never know what she's up too.

RILEY

And you don't think that maybe she's changed?

Hayley sighs and goes back to doodling.

RILEY (CONT'D)

Look, I just think you're overreacting. It's probably just nothing. She did try to help us last week, but even though it landed us here. She is making an attempt to fix things.

HAYLEY

Well, when it turns into something, you'll be proven wrong.

RILEY

Katerina isn't the girl we used to know. And I can't believe I'm about to say this, but...

(beat)

We need to give her a chance. And you're letting something as petty as freshman year get in the way of giving her that chance. You're not the Hayley I know and I think it's time you change your attitude. And that's coming from me.

HAYLEY

Yeah, I guess you're right.

RILEY

I'm always right.

Danny and Will come down the steps, slamming their papers down. Danny crumples his up and throws it to the side.

DANNY

I hate writing essays.

RILEY

Don't worry, we just got three more years of doing it.

DANNY  
(sarcastic)  
Great.

Will walks over to Hayley.

WILL  
You okay?

HAYLEY  
Could be better.

Katerina walks over, joining them.

KATERINA  
I'm honestly about to rip my  
eyeballs out.

RILEY  
Oh I can help, I have a melon  
baller in my bag.

KATERINA  
Why do you have an melon baller in  
your bag?

RILEY  
In case of melons.

The doors then burst open again and Jonathan enters again,  
carrying sodas. He then sets them down on the tables.

JONATHAN  
Lunch time, Drama Nerds!

He looks at the clock and then sets a timer on his watch.

JONATHAN (CONT'D)  
Now, if you're not finished by  
12:45, I'll have the janitor come  
and take it all away from you.

He then turns on his heel and walks out. Everyone sits at  
their separate tables and begins to unpack their lunches.

Riley grabs a soda and throws it back to Danny. He catches  
it and smiles at her.

Katerina takes out a nice lunch bag and begins to undo her  
lunch and lay it out in a nice and ordered fashion. Of  
course, it's sushi.

Hayley undoes her lunch, pulling out a smashed PB & J and  
some chips.

Riley pulls out a container and begins to eat some pasta, slurping away as she eats.

Danny then pulls out some sugar and a ham sandwich. He opens the sandwich and throws the ham off the sandwich and it lands on the wall behind him.

He then opens the sugar packets and begins to pour it on the bread. He then takes out some chips and crushes it over the bread. He puts the sandwich back together and is about to bite into it when --

-- Everyone stares at him in shock. Riley just shakes her head in disbelief.

RILEY

How do you have the figure you have?

Danny then bites into his sandwich, causing Katerina to gag a bit in disgust. Will then pulls out a GIANT brown bag, and begins to unload all kinds of food. Among them, a giant bag of chips and five sandwiches.

Hayley's mouth drops open and she looks at him.

HAYLEY

Dude... seriously?

WILL

I have to keep my figure up.

RILEY

(scoffing)  
What figure?

WILL

Eat my shorts!

Riley then sticks her tongue out at him as they continue to eat. Katerina sits back and slowly eats.

KATERINA

So? How's everyone's family?

HAYLEY

I really don't think that we should talk about that right now.

KATERINA

So, then what should we talk about? Our breast sizes?

THE BOYS

Yeah!

The girls then look at the two boys, as they sit there red in the face.

RILEY

Dudes!

Katerina then rolls her eyes and walks over to them.

KATERINA

My Dad grounded me for buying the Drama Club.

RILEY

You know what? My Dad won't even give me the time of day.

WILL

Exactly, it's all politics with him.

HAYLEY

That's not even the half of it. My Dad just comes home, cracks open a beer and complains about work. And that's -- !

DANNY

-- You know I don't even have a Dad?

Everyone goes silent. They look at him and duck their head. Hayley sighs and looks at him.

HAYLEY

Danny -- .

DANNY

No, Hayley. It's cool. You guys just seem to be all angry about your Dad's and I don't have one.

Everyone faces goes pale.

DANNY (CONT'D)

I mean, I know I have a Dad. But all he is, is just a sperm cell.

(beat)

I love my Moms. I do.

(beat)

But I would give anything to know what it's like to have a Dad.

Danny wipes his eyes and then goes back to eating. Hayley then looks down and at Riley.

RILEY

Alright, clearly tensions are at an all time high right now.

WILL

You could say that again.

RILEY

So, I suggest we indulge ourselves into one of my personal stocks in my locker.

HAYLEY

(to herself)

Does anyone really talk like that?

RILEY

I have beer.

Katerina looks at everyone as they sit there in silence. She then stands up and looks at them.

KATERINA

I'm in. I've had a pretty crappy year, and need a drink.

Everyone looks at Katerina and then at Riley. Will then stands up and grabs Hayley's hand.

WILL

Might as well, right?

Hayley smiles and the kids begin their walk to the door. Hayley then stops.

HAYLEY

What about Mr. Goodwin?

RILEY

Who cares? And plus, he's probably asleep in his office with a sandwich falling out of his mouth.

The four exit and Hayley slowly trails behind them.

INT. SERENITY HIGH, HALLWAY - CONTINUOUS

The kids exit from the library and begin their slow walk towards Riley's locker.

HAYLEY

(whispering)

Why do you have beer in your locker?

RILEY

(whispering)

Just for the special occasion of when you and my brother break up.

(beat)

Nah, I bought it off some freshman and was going to break it open once we beat Drama Fest.

Katerina trails slowly behind them now. Danny sighs and looks over at her.

DANNY

You know, you, me and Hayley used to be good friends. Then you betrayed Hayley's trust and mine.

KATERINA

So, let me guess, I have to apologize to you now? Because this whole, be nice to others thing is really hard to do. And hard to keep track of people to be nice too.

DANNY

It doesn't matter to me.

(beat)

If you need to fix anything with anybody? It's Hayley.

Katerina nods and looks forward, noticing that Hayley is looking back at her. She then slowly waves but Hayley turns away.

They reach Riley's locker and Riley puts her combination in. But she fails and groans.

HAYLEY

Well! Look's like we're not going to be -- !

Riley reaches over, grabbing a trash can. She then screams out and knocks her lock off with it and it falls off.

HAYLEY (CONT'D)

-- Or we could just do that.

Katerina laughs and everyone looks at her. She then stops and straightens herself out. Riley then reaches in, pulling out the brown paper bag.

HAYLEY (CONT'D)

That's beer.

Riley shuts her locker and walks off, Will and Katerina following after her. Hayley then looks at Danny.

HAYLEY (CONT'D)

That's actual beer.

Danny shrugs and the two of them run off, catching up to the others.

In another part of the hallway, the five kids walk back towards the library, but standing at the other end, is Mr. Goodwin. *"One Way or Another"* by Blondie begins to play.

HAYLEY (CONT'D)

Oh crap. We're screwed.

Riley then grabs everyone and they begin to run down the hall.

Series of shots:

- The Five Kids run past him as soon as he turns around. He then begins to dance to himself.
- The kids then come from around a corner, but Goodwin is right there. They then slide and turn back around.
- Goodwin stands at a water bubbler and begins to drink for it. The kids come from a different corner of the hallway and then stop for a second before turning back around.
- Katerina stands in front of a locker, filing her nails as the other kids run past her.
- The kids slide in and trip over themselves before they push each other to run away.
- More running away.
- They then run into a dead end of closed locked doors. Riley kicks the doors open and they BURST open. The kids run through them.
- The kids now run down some stairs and get to the --

INT. SERENITY HIGH, LIBRARY - CONTINUOUS

The doors burst open, and the kids run to their seats, instantly sitting in the seats. Shortly after, Jonathan walks in. He slowly walks towards them, clicking his tongue.

JONATHAN

What were you doing?

They look at each other nervously. Hayley bits her lip as Jonathan walks closer to her.

JONATHAN (CONT'D)

Something you want to tell me,  
YouTube Girl?

Riley glares at her, as Hayley begins to whine a bit. Jonathan then brings his attention over to Will. Will leans back in his chair as Jonathan looks over him.

JONATHAN (CONT'D)

What about you Quarterback?

WILL

I don't know what you're talking  
about, Mr. Goodwin.

JONATHAN

You will address me as sir!

RILEY

Can we address you as ma'am?

Jonathan glances over to Riley. Fire in his eyes. He then slowly backs away and walks out of library.

Riley then smiles and out of the paper bag, comes the beer. She smirks as everyone looks at her with mixed emotions. And off that we --

BLACKOUT:

END OF ACT TWO

ACT THREE

FADE IN:

INT. SERENITY HIGH, LIBRARY - DAY

The kids all sit in the lounge chairs, now arranged in a circle. In the center of them is the bottles. They look at it.

RILEY

Well, who's going first?

She then looks at Hayley.

HAYLEY

Don't look at me! Last time I got drunk I got Will to take his shirt off.

WILL

Yeah, and I would rather keep my clothes on.

Riley groans and leans forward, grabbing the bottle and popping it open. She then takes a deep breath and sips it. She shivers and gags a bit.

DANNY

I thought you liked beer?

RILEY

Yeah but this is warm.

She then sips it again. Groaning a bit. Danny leans forwards, grabbing his own bottle. Danny takes a deep breath and drinks it.

He then begins to laugh, some of the liquid to come out of his mouth. Everyone then laughs at him. They continue to grab their own bottles until Hayley is the only one without a beer. Riley raises a brow at her.

RILEY (CONT'D)

Well? Come on and join the bad kids.

Hayley swallows nervously and then passes it back to Riley.

HAYLEY

I don't think I can do it.

(beat)

(MORE)

HAYLEY (CONT'D)

Drunk Hayley is a really  
uncontrollable beast.

RILEY

Just give into the peer pressure.  
After all the crap we've been  
through? We deserve a drink.

KATERINA

Being the one that put you through  
all of the crap and then some, you  
do.

Hayley sighs and then grabs a bottle and takes a long sip.  
She shivers again and begins to cough. Will laughs and puts  
on some sunglasses.

WILL

I tell you, chicks cannot hold,  
their booze.

Will then holds his hand up for a high five. Riley then  
reaches over, high fiving him too hard causing him to fall  
backwards and out of his chair. Katerina then pulls out her  
phone turning on "We Are Not Alone by Karla DeVito"

Danny then sips the drink again and then starts to shiver.  
But he then stands up, shaking a bit. The girls raise a brow  
at him.

Danny then gets up, throwing his sweatshirt off and begins to  
run around the library.

Everyone looks at each other for a second before getting up  
and following Danny as he "run dances".

He stripes off another sweatshirt, dancing more and more as  
the music continues.

The others cheer him on. Katerina joining in during the  
cheering now, a huge smile on her face.

Danny then power slides on the ground, rocking out to  
himself.

Series of shots:

- Will dances along the book shelves, knocking books down as  
he rocks his head to the music. He then drinks more of his  
beer.

- Katerina stands in the main area of the library, dancing to  
herself, twirling around to the beat of the music.

- Riley sits on top of one of the tables now, banging along to the music as she rocks her head.
- Danny plays an air guitar.
- Hayley then shuffles across the floor, twirling a bit and jumping all the way to the music.
- The girls then stand on the bookshelves, doing the running man type dance the boys did in "The Breakfast Club"
- Danny and Will do the side shuffle, their hands up to their chests as they twist together in perfect sync.
- Hayley and Katerina twist their feet together in perfect sync as well, laughing at each other.
- Hayley then fist pumps and falls to the ground, starting to pound on it. She then rests her head on the ground and brings her hands to her side.

DISSOLVE TO:

The kids now sit on the floor, Hayley and Will cuddled together as Katerina lays on her stomach. Riley has her knees up to her chest as Danny lays out on two lounge chairs.

Hayley then looks up at everyone.

HAYLEY

My god, are we gonna be just like  
our parents?

RILEY

Not me.  
(beat)  
Ever.

Katerina flips over onto her back, looking up at the ceiling.

KATERINA

It's unavoidable. It just happens.

RILEY

What happens?

DANNY

When you grow up, you're body, just  
gets wrinkly.

KATERINA

It what?

WILL

Who cares!

KATERINA

(teary)

I care!

Everyone looks at her. She then wipes her eyes and grabs the beer drinking a bit more.

KATERINA (CONT'D)

I don't even deserve to be here.  
I'm a good girl.

HAYLEY

Well, you're the one that got us  
into this mess.

Katerina, looking fed up, sits up and looks at her.

KATERINA

You know what, Hayley?! I don't  
care that you hate me. That's  
fine. Go ahead and hate me for  
everything I've done!

(beat)

But stop blaming me for *everything*  
that has gone wrong in your life!

HAYLEY

Well, it didn't help that you had a  
huge part in ruining it!

KATERINA

You didn't have to listen to me!

RILEY

Guys, come on. Let's not fight and  
drink more beer.

KATERINA

It doesn't matter.

(beat)

Because clearly, none of you want  
me here. And none of you want me  
in Drama. So, why do I even bother  
trying to be nice.

She grabs another beer and gets up. Hayley watches and sighs. She then separates from Will and grabs another bottle. She walks off, following after Katerina.

RILEY

Drama Queens much?

DANNY

But we're in the Drama Club.

Riley looks back at him and shakes her head.

RILEY

It's a good thing you're cute.

JUMP CUT TO:

Hayley walks past a few rows of shelves. She looks between them until she comes up on Katerina, knees up to her chest. Hayley sighs and slowly walks over to her.

Hayley sits down next to Katerina, bringing her knees to her chest. She then glances over at Katerina.

HAYLEY

Want to play a drinking game?

KATERINA

Hayley, I really don't think that's

--

HAYLEY

I promise it will be fun.

KATERINA

(sighing)

Fine, what is it?

HAYLEY

We go through every bad thing we've done to each other. And we take a drink.

KATERINA

Do you want to get black out drunk?

HAYLEY

Let's just do it. After all the crap we did to each other, I kind of think this will be, theraputic.

Katerina sighs and grabs her bottle. She holds it up a bit and looks at Hayley.

KATERINA

You scared the living crap out of me and made me take three weeks of therapy.

HAYLEY

Well, to be fair, you did try and ruin the Fall Festival and send killer ducks after us.

The two girls laugh slightly and take a drink. Hayley then looks up.

HAYLEY (CONT'D)

You kissed Will in front of me after I told him I liked him.

Katerina drinks.

KATERINA

You ripped out my extensions in front of everyone.

Hayley drinks.

HAYLEY

You stole my Ariel doll with tail action --  
 (quietly)  
 -- Bitch.

Katerina laughs and looks at Hayley, smiling a bit.

KATERINA

I reposted your video and used that to become a Barbie Doll.  
 (beat)  
 And I stole Will from you because I knew you liked him.

The laughter dies and they look at each other. Katerina sighs and looks at Hayley.

KATERINA (CONT'D)

I never told you how bad I felt. I guess I was just angry.

HAYLEY

Angry about what? We were best friends.

KATERINA

I don't know. I just, I always thought being popular was the best thing ever. I ruined your life.  
 (beat)  
 I think it was just that I was jealous that Mellie wanted you to be a Barbie Doll.

Hayley thinks for a minute and settles back against the wall.

HAYLEY

I completely forgot that she wanted me to be one.

KATERINA

I guess the viral video may have caused you to forget a few things.

HAYLEY

I also remember how you took Will from me.

Katerina looks down and then takes a drink from the bottle.

HAYLEY (CONT'D)

Did you even like him? Or was that just to rub it all in?

KATERINA

I did like him. But not as much as you did. It was all just apart of being popular. Date the Quarterback.

(beat)

But, seeing you guys together, it's actually nice to see you finally get what you want. I guess that's what happens. You get what you wanted, and I lose it all.

HAYLEY

You really think I like this? I hate being stuck in a giant fight between everyone and watching the Drama Club I know and love fall apart. I hate it.

(beat)

I always thought High School would be normal. But it's not. It's just another crazy ride and I can't get off.

Katerina nods in agreement. She then sips her beer and looks at Hayley.

KATERINA

I'm going to swallow my pride, just this once, and say this.

(beat)

I'm sorry. Sorry I've been a super mega ultra bitch to you. All because I wanted to be popular.

HAYLEY

(sighing)

I'm sorry I got so petty over it.  
And I'm also sorry for being a  
bitch right back to you.

Katerina then reaches over and takes Hayley's hand.

KATERINA

And to make up for it -- .

HAYLEY

-- If you're going to suggest  
another water balloon attack, then  
I am out.

KATERINA

I'm going to help you guys win  
Drama Fest. No matter what it  
takes.

HAYLEY

And why would you do that?

KATERINA

Just because I'm a loser now and  
doing Drama Club. Doesn't mean I'm  
going to lose.

(beat)

Katerina Cove, is not a loser.

Hayley smiles and loops arms with Katerina.

HAYLEY

No, she is not.

The two girls laugh and look at each other.

KATERINA

So, friends again?

HAYLEY

On our way to that.

Off Katerina and Hayley resting their heads together in a  
smile and laughter we --

END CREDITS SCENE

FADE IN:

INT. SERENITY HIGH, LIBRARY - DAY

The Main Five is now gone. The library is completely empty and Mr. Goodwin walks in, sighing a bit to himself. He then walks over, grabbing a piece of paper. He begins to read it and sighs a bit. Softly in the background, the instrumental version of "Don't Forget About Me" plays.

DISSOLVE TO:

INT. SERENITY HIGH, AUDITORIUM - DAY

Hayley, Will, Katerina, Riley and Danny stand in the five spotlights, just like the opening. They look out to the audience that is not there.

HAYLEY

Dear Mr. Goodwin. We accept the fact that we had to sacrifice a whole Saturday for whatever it is we did wrong.

WILL

But, we think you're crazy to make us write an essay telling you who we think we are.

DANNY

You see us as you want to see us: in the simplest terms, in the most convenient definitions.

KATERINA

But, what we found out is that each one of us is --

RILEY

-- a team.

HAYLEY

And a YouTube Girl.

WILL

And a Quarterback

DANNY

And a Best Friend.

KATERINA  
And a Barbie Doll.

RILEY  
And a Bad Girl.  
(beat)
