HARRY (V.O.)
We need to ask you a few questions
Mr. Ollivander.

CUT TO:

INT. SHELL COTTAGE - BEDROOM - DAY

Mr. Ollivander sits by the window. Harry is on the bed sitting with wands sitting next to him.

(CONTINUED)

HARRY

You talk about wands...as if they have feelings? Like they are real.

Ollivander leans forward.

OLLIVANDER

The wand chooses the wizard Mr. Potter. In any case the wizard must not pick a wand and expect it to work for them...The wand must recognize that person as it's master.

HARRY

So these wands we stole...the ones we took from the Malfoy's. Could they work for us?

Harry hands him the wands the lie next to him. Ollivander looks at them.

OLLIVANDER

Since you did technically overpower their previous masters...yes...they will work for you.

Harry looks at Ollivander.

HARRY

And what do you know about the Deathly Hallows?

The room gets tense. Hermione and Ron look at one another, scared and confused. Ollivander still looks at him.

OLLIVANDER

There are rumored to be three. The cloak of invisibility. The resurrection stone. And the Elder wand. All three together make one the master of death. But no such objects truly exist.

HARRY

But you told You Know Who about one. The Elder Wand?

Ollivander's eyes droop. He looks at Harry.

(CONTINUED)

CONTINUED: (2)

OLLIVANDER

He tortured me...I only told him what he wanted to hear...The Elder Wand...I do believe is real...but there is no telling if he will ever find it.

Harry looks back to Ron and Hermione.

HARRY

He has found it sir.

Ollivander's eyes grow wide. His face growing in fear. Harry begins to gather up the wands.

HARRY (CONT'D)

We'll let you rest.

Harry stands up and walks towards his friends.

OLLIVANDER

He's after you Mr. Potter.

Harry stops and looks back at him.

OLLIVANDER (CONT'D)

If it's true...what you say and the Dark Lord has the Elder Wand...You really don't stand a chance.

We push in on Harry and his friends standing behind him.

HARRY

I'll guess I'll have to kill him before he finds me...

The Trio walks out of the room leaving Ollivander scared for the future of the battle.

CUT TO:

INT. SHELL COTTAGE - SITTING ROOM - DAY

The Trio walks down the stairs to see Fleur and Bill sitting on the couch. They notice them and stand up.

FLEUR

How is he?

HERMIONE

He still seems shocked. You know who had him captive for a year. It's bound to do something to you.

(CONTINUED)

CONTINUED:

Harry sits down and places the other wands on the table. Bill looks at them and notices Bellatrix's wand.

BILL

I still can't believe you three managed to get away.

RON

We have Dobby to thank for that.

They all grow silent. Hermione looks down at her arm. 'MUDBLOOD' is now gone but there is a slight scar there. Fleur looks at all of them.

FLEUR

Why don't I make us all dinner. That goblin better come down today. I'm tired of waiting on him hand and foot.

Fleur leaves the room as does Bill. The three of them are now alone.

HERMIONE

Where do we go from here?

Harry looks at the three of them.

HARRY

Bellatrix was asking you about how you got into her vault.

HERMIONE

She was scared about how we had the sword. She believes she has the real one.

HARRY

But what if there is something else in there? Something more valuable. Like a Horcrux.

Hermione and Ron look at Harry confused.

RON

I don't see where you're going with this mate. You think that Bellatrix has a Horcrux hidden in her vault?

HARRY

Why else would she torture Hermione? She knew that we saw something that didn't belong.

HARRY (CONT'D)

Something that would petrify You
Know Who if he found out.

HERMIONE

But why would You know who give it
to Bellatrix?

HARRY

She is his most faithful servant.
Even before he fell she and her
husband were loyal to him. He
maybe never told her that it was a
Horcrux. He gave one to Lucius
Malfoy and he didn't know what it
was.

RON

But Gringotts?

HARRY

It's the most safest place in the
entire world...next to Hogwarts.
What a better place to hide a
Horcrux.

Hermione and Ron look at eachother.

HERMIONE

It does make sense why he would do
that. But Harry, what can we do
about it?

HARRY

We're going to break in.

RON

Wait what?! Have you gone mental?
You'd be stupid to break in.
Anyone that's ever tried has ended
up dead.

HARRY

Well, it doesn't mean we can't
try. We know that there is a
Horcrux in there and the only way
we can get in is if we break in.
It's the only way.

Hermione looks at him.

HERMIONE

I have a strand of her hair...

HARRY

What?

(CONTINUED)

CONTINUED: (3)

HERMIONE

When she was torturing me. A strand of Bellatrix's hair fell onto my jacket. I put it in a vile, just in case we could use it.

Hermione goes to her bag and begins to shuffle through it looking for the vile. She then pulls it out and shows to Ron and Harry. Inside of it is a black hair.

HARRY

All we need now is polyjuice potion...and a goblin.

They all look at each other. Harry looks towards the kitchen where Bill and Fleur are. Harry then turns back to them.

HARRY (CONT'D)

We can't tell them. If they knew what we were doing, they would want to help. And we can't put their lives in danger anymore than it is now.

RON

Yeah. Your right. So what do we do? Bill told me about goblins. From the times he's worked at Gringotts. He's said that they are cruel. And anything that is made by them, in their eyes rightfully belongs to them.

HERMIONE

But what if it's been bought? I mean there are possibly hundreds of Goblin made objects that have been bought right?

RON

Then they think that it has been rented by the one who had paid the money.

HARRY

We just have got to be careful. Should we talk to him now?

Hermione looks at him.

HERMIONE

Harry? Before we do this...are you sure it's what we should do?

(CONTINUED)

CONTINUED: (4)

HARRY

Hermione...this is the closet we could possibly get to finding another Horcrux. We may not get a chance like this again in a long time.

HERMIONE

Alright...let's go.

The trio stands up and walk towards the stairs. They then head up them.

INT. SHELL COTTAGE - SMALLEST BEDROOM - DAY

Griphook sits in a chair looking out the window. In view is Dobby's grave. Next to him is the sword of Godric Gryffindor on the floor leaning against the chair. There is a knock at the door. He looks.

GRIPHOOK

Come in.

The trio walks in. The first thing Harry looks at is the sword.

HARRY

We're sorry to bother you. How are you feeling.

GRIPHOOK

Better then before.

Ron and Hermione sit on the bed. Harry pulls a chair up next to Griphook and sits down in it.

HARRY

You probably don't remember --

GRIPHOOK

That I was the goblin who showed you to your vault the first time you visited Gringotts...Yes...I remember Harry Potter. Even amongst us goblins...you are very famous.

Harry brings his hand to his scar. Hermione notices but does not say anything. Griphook looks out the window.

GRIPHOOK (CONT'D)

You buried that elf? The one that saved us?

(Beat)

GRIPHOOK (CONT'D)

I watched you bury him from my window.

Harry puts his head down. Ron and Hermione saddened by the fact that Dobby risked his life saving them.

GRIPHOOK (CONT'D)

You are an unusual wizard Harry Potter.

Harry looks back.

HARRY

What do you mean?

GRIPHOOK

You dug the grave.

HARRY

So?

GRIPHOOK

With no magic...that shows great honor. You really cared for that elf. Most wizards would not care about lower creatures like us...but not you three...you're...different.

They three of them look at one another.

HARRY

Griphook we need to ask you something...

Griphook looks at them.

HARRY (CONT'D)

We need your help to break into a Gringotts vault.

Griphook's eyes grow wide.

GRIPHOOK

Break into a Gringotts vault? It's impossible.

RON

No it's not.

They all turn and look at Ron.

RON (CONT'D)

It's been done before.

(CONTINUED)

CONTINUED: (2)

HERMIONE

Yes. He's right. Vault 713.
Remember Harry?

HARRY

Yeah. I do. It happened the same
day I was there...seven years ago.

GRIPHOOK

The vault in question was empty at
the time. The protection was
minimal.

HARRY

Well, the vault we need to get
into isn't empty. And I'm guessing
it's protection is very powerful.

(Beat)

It's the Lestrangle's vault.

GRIPHOOK

You don't have a chance...no
chance at all. *'If you see beneath
our floors a treasure that was
never yours--'*

HARRY

*'Theif you have been warned,
beware--'* yeah. I know the
warning. But we're not trying to
steal any tresure, nothing for
personal gain.

GRIPHOOK

If it's not for that, then what is
you seek within the vault? The
sword that lies within the vault
is a fake. This one next to me is
the real one. But I think you
already knew that.

HARRY

But you've been in the vault.
Surley you must have seen other
things there.

GRIPHOOK

It is against the code to speak of
the secrets of Gringotts. We have
a duty to protect the objects that
have been put into our care.

Harry looks at him.

(CONTINUED)

CONTINUED: (3)

HARRY

Will you help us? We haven't got a hope of breaking in without a goblin's help...you're our one and only chance.

Griphook takes a moment and thinks.

GRIPHOOK

I have made my desicion....

The trio looks on eagerly.

GRIPHOOK (CONT'D)

Even though the other goblins will consider it base treachery...I have decided to help you.

HARRY

That's great! Griphook, we couldn't thank you enough.

GRIPHOOK

Anything to stop He Who must Not be Named.

Harry nods at him.

HARRY

We'll let you rest.

Harry leans forward and grabs the sword. Ron and Hermione follow him out the door.

INT. SHELL COTTAGE - SITTING ROOM - DAY

The trio walk down the stairs. Harry places the sword of the table. All of a sudden there is a knock at the door. Bill walks in.

BILL

Who is it?

LUPIN

It is I! Remus John Lupin. I am a werewolf, married to Nymphadora Tonks, and Secret Keeper of the Shell Cottage.

The trio smiles. Bill walks to the door and opens it to reveal their old friend, REMUS LUPIN.

LUPIN (CONT'D)

Hello Bill.

Lupin notices the trio. He smiles.

LUPIN (CONT'D)
I was wondering when I would see
you three again.

He goes and hugs them.

BILL
So, what brings you here.

Fleur walks in and goes next to Bill, they join their
hands together.

LUPIN
I have come to tell you
all...Tonks had the baby.

Hermione shrieks! Harry and Ron smile as does Fleur. Bill
pats Lupin on the back.

HERMIONE
Oh my god! A baby?

LUPIN
Yes. A beautiful baby boy. We
named him Ted. After Dora's
father. Teddy Remus Lupin!

RON
Blimey...a baby.

Lupin goes back over to Harry and puts his hands on his
shoulders.

LUPIN
And you, Harry...will be the
godfather.

Harry looks at Lupin. Shocked by yet honored.

HARRY
M-me?

LUPIN
Of course...and Dora agrees...no
one better.

HARRY
Yes...I'll be the godfather.

LUPIN
Perfect!

BILL

Well, this calls for a toast.

Bill goes into the kitchen and brings out goblets filled with butterbeer. He hands one to all of them.

BILL (CONT'D)

Harry? Will you do the honors?

Harry nods and raises his glass.

HARRY

To Teddy Remus Lupin...A great wizard in the making!

Everyone else raises their glasses and take a drink.

FLEUR

Oh, who does he look like?

LUPIN

Well, I think he looks like Dora but she thinks he looks like me. Not much hair. It looked black when he was born but I swear it turned red in an hour. It'll probably be blonde by the time I get back. He has his mother's hair.

They all smile.

LUPIN (CONT'D)

Well, I'm sorry to leave so early. But I must get back.

They all stand up and say their goodbyes.

LUPIN (CONT'D)

Good luck you three.

He goes out the door leaving them all there. Bill and Fleur begin to clean up. We slowly pan away from the three as they stand there waiting.

DISSOLVE TO:

INT. SHELL COTTAGE - SITTING ROOM - NIGHT

Harry, Ron and Hermione sit in the sitting room. Hermione goes throughs books. Ron eating. Harry is just sitting there.

(CONTINUED)

CONTINUED:

HERMIONE

Harry how are we supposed to look for a Horcrux and not know what it is.

HARRY

I don't know. But all I remember that when we were in the ministry I could sense that the Horcrux was in there...maybe it will do the same for us again.

Hermione looks at him. She then takes a deep breath. We go to Harry and touches his scar again.

HERMIONE

We're all set to leave in the morning.

HARRY

Are you ready?

Hermione smiles at him.

HERMIONE

Honestly Harry? I'm scared. I've been scared all year. But I know that we're doing this for the greater good and that we can finally stop him.

(Beat)

You're a great wizard Harry. You truly are.

HARRY

Not as great as you.

Hermione laughs and smiles at him.

HERMIONE

You're really a great friend Harry.

RON

He really his.

They all start laughing and having a good time.

HERMIONE

I miss this. Just us having fun. Not having to worry about Horcruxes and breaking into Gringotts.

(CONTINUED)

CONTINUED: (2)

RON

Yeah. Just think that when this is all over we may be able to live as normal kids.

HARRY

Let's hope.

Harry smiles at his friends.

DISSOLVE INTO:

EXT. SHELL COTTAGE - HILLSIDE - DAY

Harry, Ron, Hermione, and Griphook sit on the hillside. Hermione is now in Bellatrix's clothes. Ron is in new robes that look older and raggy. In Hermione's hand is Bellatrix's wand.

HERMIONE

I hate this thing...I really hate it. It feels wrong. It feels like a bit of her.

Harry and Ron look at her.

RON

But it'll help you get into character though. Think what that wand's done!

HERMIONE

But that's my point! This is the wand that tortured Neville's parents and who knows how many other people...This is the wand that killed Sirius....

Harry looks down. But he then looks back up at her.

HARRY

I know...but we have got to do this. You've got the polyjuice potion?

Hermione nods. Her and Ron stand up. They uncork the viles and begin to drink. Hermione and Ron gag.

HERMIONE

Ugh...She tastes worse than Gurdyroots...

Both her and Ron begin to transform. All of sudden before Harry's eyes are two faces. One of Bellatrix Lestrange. And the other of a man that is old.

HARRY

Perfect. Are we ready?

Hermione and Ron nod at him. They put their hands together. Griphook grabs onto Harry. And with a loud crack they disapperate.

EXT. KNOCKTURN ALLEY - DAY

The four of them apparate into the dark alley way. Griphook jumps onto Harry's shoulders. Ron quickly throws the cloak over them. Hermione turns to Ron.

HERMIONE

Let's go.

They walk down the alley way turning corners. Harry and Griphook follow behind. They travel up a stone stairway.

EXT. DIAGON ALLEY - DAY

As they enter, beggars look towards Hermione, thinking that she is Bellatrix. Some are on the other side pleading for gold. As they continue down the street. A man runs to Hermione.

BEGGAR 1

My children! Where are my children! What have you done with them! You know! YOU KNOW!

HERMIONE

I-I really-

The man jumps at her and grabs her throat. She pulls out the wand and sends him flying backwards. He looks at her. He then gets up and runs away. The other beggars notice and they then run away. A man turns around and sees her.

TRAVERS

Why Madam Lestrange!

Under the cloak, Griphook leans into Harry's ear.

GRIPHOOK

It's Traver's. He's another Death Eater.

HERMIONE

And what do you want?

Travers stops and looks at her.

TRAVERS

I merely sought to greet you...but if my presence is not welcome then...

HERMIONE

No...not at all Travers. How are you?

Travers looks at her.

TRAVERS

Well, I must confess. I'm surprised to see you out and about.

HERMIONE

Really? Why?

TRAVERS

I heard about the Potter boy and his friends attacking the Malfoy Manor. I also heard that all of the inhabitants have been confined to the house after the...uh...escape.

Hermione looks towards Ron.

HERMIONE

The Dark Lord forgives those who are the most faithful to him...

TRAVERS

Of course.

(Beat)

And who is this with you?

Hermione notices him looking at Ron.

HERMIONE

This is...Dragomir Despard. He speaks very little English but he is in good graces with the Dark Lord. He has traveled from Transylvania to see our new regime.

Travers nods and then looks to Ron. He extends his hand.

TRAVERS
How do you do Dragomir.

Ron does not answer. He just shakes his hand. Travers looks at him.

TRAVERS (CONT'D)
So what brings you to Diagon Alley today.

HERMIONE
I need to visit Gringotts.

TRAVERS
Alas! I also need to visit Gringotts. Gold filthy gold! We cannot live without it!

Travers starts to walk towards the bank. Hermione looks at him scared. Ron follows behind as does Harry and Griphook. Harry pulls out his wand and jinxes Travers. He falls to the ground. Hermione and Ron drag him off to a corner and hid him. They then continue to walk towards Gringotts. They finally reach the door and they walk in.

INT. GRINGOTTS - MAIN HALL - DAY

They all walk in. Goblins at the desks sit there looking at them. Hermione begins to slip in Bellatrix's heels. Ron helps her. They go to the desk that lies in the center. She approaches it.

BOGROD
Why...Madam Lestrangle. What brings you to Gringotts today?

Hermione looks at him.

HERMIONE
I wish to enter my vault.

BOGROD
Why of course....We would just like some identification....

Hermione looks at him. She grows angry.

HERMIONE
How dare you! I have never been asked for identification ever!

Griphook goes to Hermione's ear.

BOGROD

Hermione hands him the wand. Griphook whispers into Harry's ear.

GRIPHOOK

Act now! The Imperious curse

Harry points his wand at the Goblin.

HARRY

Imperio

The goblin then takes a breath and looks at them and smiles.

BOGROD

Very well Madam Lestrangle...If you will follow me...

Hermione looks confused but she ignores it.

CUT TO:

INT. GRINGOTTS - CAVES - DAY

The cart zooms through rocky passageways. Griphook is driving. The wind flies past them. They go up hills, down, side to side. Bogrod sits in the back smiling and humming a little tune. They pass over a waterfall.

RON

What's that down there?!

HARRY

Griphook?! What is that?!

Griphook tries to slow down the cart. But they come closer and closer to the waterfall. They go right through it and the cart comes to a stop. Hermione looks like her once more. Ron's disguise is gone. A pole comes up and it begins to sound an alarm. Their seats break away and they begin to fall. They scream. Hermione takes out her wand.

HERMIONE

ARESTO MOMENTOM!

HARRY

Hermione...you look like you again!

Griphooks look at them.

GRIPHOOK

The Thieves Downfall...it washes away all enchantments. It can be very deadly.

RON

You don't say?! And just out of interest is there anyway out of here?

GRIPHOOK

No.

Bogrod turns around and looks at them.

BOGROD

What the devil are you all doing down here!? (Yells) Thieves! COME QUICK!

Ron points his wand at him.

RON

Imperio.

Bogrod then gets a blissful smile back onto his face. Out of the quiet comes a loud roar. Everyone looks around scared.

RON (CONT'D)

GRIPHOOK

It's been trained to expect pain
when it hears the noise.

Hermione looks disgusted.

HERMIONE

That's barbaric! It's a helpless
creature!

They walk past the Dragon as it winces in pain of hearing the noise. They come to an opening and walk up the stairs. They stop shaking the clankers.

INT. GRINGOTTS - VAULT HALLWAY - DAY

HARRY

Lumos.

Their wands light up. They all look around the room. Harry trying to concentrate. Hermione raises her wand.

HERMIONE

Accio Horcrux...

Nothing happens. Ron looks at her.

HERMIONE (CONT'D)

What? It was worth a try...

GRIPHOOK

That kind of magic won't work in
here.

Ron looks to Harry.

RON

Do you feel it Harry? The Horcrux?

HERMIONE

Oh no!

GRIPHOOK

They've added the Gemino curse!
Everything you touch will multiply!

Everything begins to multiply. Harry begins to go for the cup knocking things over. Ron knocks things over as well. Soon the room is filled with treasure. Harry tries to climb over it all. Harry turns to Hermione.

HARRY

Hermione?! The sword!

Hermione goes into her bag and takes out the sword. She throws it to Harry and he catches it. He then reaches for it trying to grab it with the sword.

HERMIONE

Stop moving!

Both her and Ron stop moving as Harry gets buried under gold. He then burst out. The cup in hand. The sword goes towards Griphook. He looks at it and grabs it. Harry looks him as Hermione puts the cup into her bag.

HARRY

YOU TRATIOR!

GRIPHOOK

I said I'd get you in...I never said anything about getting you out!

Griphook takes Bogrod's hand and touches the door and it opens. Gold pours out. The trio falls out as Griphook runs with Bogrod behind him.

Wizard guards come and start shooting spells at them. They get behind pillars as Spells come flying at them. Ron looks to Hermione.

HERMIONE (CONT'D)
We can't just stand here! Who has an idea!?

RON
You're the brilliant one!

HERMIONE
I've got an idea...but it's mad!

Hermione then goes to the gate and points her wand at it.

HERMIONE (CONT'D)
Reducto!

She blows up the railing and it flies off. She backs up and runs forward landing onto the dragon. Harry and Ron look at her confused.

HERMIONE (CONT'D)
Well come on then!

Harry and Ron follow after her and land onto the back of the Dragon with Hermione. Hermione then turns to the chain and points her wand at it.

RON

So what do we do?!

They all begin change into dry clothes. Hermione puts a blanket on as Ron and Harry undress.

HARRY

We go to Hogwarts.

They look at him shocked.

RON

What do you mean?

HARRY

There's a Horcrux hidden in Hogwarts and it has something to do with Rowena Ravenclaw.

HERMIONE

Harry we can't just go there! We need to plan!

HARRY

Hermione?! When have any of our plans ever actually worked? We get there and all hell breaks loose.

Ron looks at him.

RON

He's right. But there's one problem! We can't just walk in through the front door. Not with Snape as headmaster.

Harry stops and thinks.

HARRY

We'll go to Hogsmede and take the secret passageway in the Honeydukes Cellar.

RON

Yeah...maybe he's dying?

HARRY

No...it's not that...he feels weakened...if anything he feels more vulnerable.

We pan away from the three of them.

RON

Did you see him? He looked like...

HERMIONE

I know...Dumbledore.

They all look to the picture of a young girl. Hermione looks in a mirror and see's Harry in it.

HERMIONE (CONT'D)

Harry?...I See you in this...

Harry looks at his broken mirror and sees Hermione in it. He goes and looks at the mirror on the wall. Aberforth then comes running in.

ABERFORTH

Harry looks at him.

HARRY

It's you...The one I've been seeing in the mirror. You sent Dobby?

ABERFORTH

Yes...What happened to him?

HARRY

He's dead...

Aberforth looks at him.

ABERFORTH

Too bad...I liked that elf.

HARRY

Who gave that to you?! The mirror?

ABERFORTH

Mundungus Fletcher. He gave it to me about a year ago.

HARRY

Dung had no right selling you that it belonged to--

ABERFORTH

Sirius...Yeah Albus told me.

Aberforth goes towards a chair and sits down in front of the fireplace. The picture of Ariana above it. Harry, Ron and Hermione stands in front of Aberforth.

ABERFORTH (CONT'D)

What brings you three to Hogsmede? You know that Death Eaters practically rule this place. You can't just apparate in and not be noticed by them.

HERMIONE

We're sorry. We didn't know. We thought it would be safe. Because of Hogwarts nearby.

ABERFORTH

Hogwarts? Safe? Not this year. It's changed...everything has. Nothing is the same anymore. Not since Snape became Headmaster.

ABERFORTH

Yes. Young Ariana. She was
beautiful in her day...I still
miss her.

Aberforth begins to tear up. He then wipes the tears away
and looks at the trio.

ABERFORTH (CONT'D)

So as I ask you again. What brings
you here?

HARRY

We need to get into
Hogwarts...tonight. Your brother
gave us a mission...we need to get
into Hogwarts.

Harry looks to Ron and Hermione. They look back.

HARRY (CONT'D)

We've been hunting Horcruxes...And
I think the last one is inside
Hogwarts and we need your help
getting in.

ABERFORTH

Any mission my brother gave you is
a suicide mission...do yourself a
favor you three and go home and
add years to your lives.

HARRY

He trusted us to see it through...

ABERFORTH

him!

HARRY

I trusted him...

ABERFORTH

Well so did I! And then I lost her! I lost my sister! All because of him and Grindelwald and their insane ambition for finding the Deathly Hallows! It cost me my family!

Aberforth goes and sits down. Hermione and Ron look at him and sit down. Hermione takes her hand and holds Aberforth's hand. He looks at her.

ABERFORTH (CONT'D)

I'm not going to sit here and weep over old things...but there is one thing I remember about you lot...I remember when you three came in here two years ago...and all of those kids followed...and thats where you started your Army...and I know that you fought back against the dark forces that were coming...But if you are doing this to stop You Know Who...

Aberforth looks towards the portrait.

ABERFORTH (CONT'D)

You know what to do...

Ariana nods and begins to walk away.

Aberforth looks at the three.

ABERFORTH (CONT'D)

NEVILLE

I knew you guys would come back! I kept telling Seamus it was a matter of time!

Harry looks at Neville and the scars and bruises that cover his face.

HARRY

Neville? What happened to you?

Neville looks back at him.

NEVILLE

What? These? This is nothing. You should see some of the others. You'll see.

(Beat)

So shall we get going then? Ab, there's going to be more people coming through.

ABERFORTH

A couple more? What D'you mean a couple more Longbottom? There's a Caterwauling Charm on the whole village.

NEVILLE

I know. They'll be apparating directly into the bar. Just send them all down the passage when they get here.

Neville helps the trio up into the portrait and they start to get going. Harry looks back at Aberforth.

HARRY

I don't know how to thank you...you've saved our lives twice.

Aberforth nods at him.

Harry goes down the passage way following behind Neville and the others.

INT. PASSAGEWAY - NIGHT

The torch light chamber glows. The floor smooth and the walls covered in dirt and stone.

RON

How long has this been here? It's not on the map is it?

NEVILLE

All of the other passageways were sealed off before the start of the year. There's really no chance of getting through them now. Curses that Death Eaters placed and dementors waiting at all the exits.

(Beat)

But nevermind that. Is it true? Did you guys really break into Gringotts?

HARRY

Yeah...it is.

NEVILLE

Blimey! I can't believe it. Terry Boot got beaten up by Carrow for yelling about it in the Great Hall at dinner.

Harry smiles.

NEVILLE (CONT'D)

And the dragon? That's true too?

RON

Yeah. We released it into the wild. Hermione wanted to keep it as a pet though.

HERMIONE

Don't exaggerate Ronald.

(CONTINUED)

HARRY

But what about Hogwarts. What's been going on here?

They slow down but keep walking.

NEVILLE

Well, it's not Hogwarts anymore. Do you know about the Carrows?

HERMIONE

The who?

NEVILLE

Their two Death Eaters that teach here. And they are more like punishment.

RON

Like Umbridge?

NEVILLE

Please... They make Umbridge look tame. The other teachers are supposed to report us to the Carrows if we break any of the rules. They don't though. If they can avoid it. You can tell they hate them as much as we do.

(Beat)

Amycus, the bloke, he teaches what used to be Defense Against the Dark Arts. Except now it's just Dark Arts. We're supposed to practice the Cruciatus curse on People who've earned detentions.

HERMIONE

That's horrible!

NEVILLE

Yeah. It's how I got a few of these. I refused to do it though. But some people are into it. Goyle and Blasie love it. The first time they've ever been top in anything I expect. Alecto, Amycus's sister. Teaches Muggle studies. We've got to listen to her explain how Muggles are like animals, stupid, and dirty and how they drove wizards into hiding. I got a few more cuts for asking her how much Muggle blood She and her brother have got.

RON

Blimey Neville. There's a time and a place for getting a smart mouth.

The four laugh.

NEVILLE

You should have heard her. You would have done the same.

HARRY

But they used you as a knife sharpener Neville.

NEVILLE

It doesn't matter.

HERMIONE

Yes it does.

NEVILLE

Well, I think you'll guys be happy about this. We started the DA up again. We used to sneak out at night and put graffiti on the walls 'Dumbledore's Army, Still Recruiting'. Snape hated it.

HARRY

You 'used' to?

NEVILLE

Well, it got more difficult as time went on. We lost Luna at Christmas, and Ginny never came back after the Easter break. The three of us were sort of the leaders. The Carrow's knew it was me mostly. They went after Gran.

HERMIONE

They what?

NEVILLE

Yeah. But Gran is on the run. She sent me a letter.

He puts his hand to his chest and taps it.

NEVILLE (CONT'D)

I keep it with me at all times. She says she's proud of me and that I'm my parents son and to keep it up.

RON

That's amazing.

NEVILLE

Yeah. But once the Carrows had no hold of me. I knew I had to run. I don't know if they were going to kill me or what but I knew I had to disappear.

RON

But aren't we heading straight back to Hogwarts?

NEVILLE

Course.

They stop at a wall.

RON

Perfect a dead end.

NEVILLE

Nope. We're here.

Neville pushes on the wall and it opens and light pours into the room.

INT. HOGWARTS - THE ROOM OF REQUIREMENT - NIGHT

The passageway opens to reveal the Room of Requirement much larger than what it was when they started the DA back in their fifth year. There are hammocks hanging all around the room. Doors leading to other rooms. Books. People stand there all in their Hogwarts uniforms, all Hufflepuff, Ravenclaw and Gryffindor. None of them Slytherin.

NEVILLE

Hey you lot...I've got something for you!

SEAMUS

It better not be more bread. I'm starting to get sick of that stuff.

NEVILLE

Nope...something better.

Harry, Ron and Hermione come into view. Everyone cheers and applauds them. Some people are running to hug them.

NEVILLE

HARRY

SEAMUS

The Room of Requirement. Surpassed
it's self hasn't it.

NEVILLE

The Carrows were chasing me and I
knew I had once chance for a
hideout. I managed to get through
the door. And this is what I
found. Well, it's changed since I
first got here. But it expanded as
more of the D.A arrived.

HARRY

And the Carrow's can't get in?

KATIE

No. Neville has that covered. He
just says 'I don't want any Carrow
supporters getting in' and the
room will do the rest for him.

NEVILLE

It's really straight forward.

Harry looks at Ron and Hermione. Luna and Dean come in
through the portrait. Seamus goes and hugs them. Cho goes
and hugs Luna.

HARRY

Guys we don't have a lot of time.
We need to find the Horcrux

HERMIONE

I know Harry. But how do you
expect us to get out of here?
They'll be after you.

Neville looks over to him.

RON

We have a bunch of Ravenclaw's

HARRY

But how can we ask them without
telling them it's a Horcrux?

Ron looks at him with an 'I don't Know' look. Harry then
turns to a group of Ravenclaw's where Cho, and Luna sit.

HARRY (CONT'D)

We're looking for something of
Rowena Ravenclaw. Something that
will help us overthrow You Know
Who. It's here in Hogwarts. Has
anyone heard of an object with an
eagle on it?

He looks to the group of Ravenclaw's. Luna stands

LUNA

Well, there is her lost diadem.

CHO

Yeah but there's one problem. It's
the Lost Diadem.

(Beat)

Centeries ago they say. Flitwick
says the Diadem vanished with
Ravenclaw herself. No one alive
has seen it

RON

Sorry for asking but what is a
Diadem?

CHO

It's a crown. It was supposed to
have magical properties to enhance
wisdom to the person who wears it.

HARRY

And none of you have ever seen it?

They all nod. All of a sudden the doors open and Ginny
comes running in. She looks to Harry.

INT. HOGWARTS - GREAT HALL - NIGHT

The tables are gone. Students get together in packs and leave a huge gap in the middle. On the platform is Snape, and the two Carrows. Harry looks at Snape in anger. Snape then steps down. McGonagall looks at the students. The other teachers are with her.

SNAPE

I bet you are wondering why I have called you here this late at night...It has come to my knowledge that Harry Potter was sighted in Hogsmede.

Students chatter.

SNAPE (CONT'D)

Quiet...If anyone attempts to aid Mr. Potter...Student...or staff....they will be punished...severly...

Some students begin to cry. Harry looks towards to Cho. She shakes her head. He then looks back to Ginny. They join hands.

SNAPE (CONT'D)

If you do not tell me...I will be forced to take drastic actions...Now then...if anyone has any knowledge...or Mr. Potter's whereabouts...I would like for them to step forward....Now...

Snape looks at him.

HARRY (CONT'D)

Tell them how it happened that

The students look up at Snape shocked. Snape stands there quietly. McGonagall turns her attention to Snape. Her face growing in anger.

MCGONAGALL

This is the end Severus.

The students look at her. She pulls out her wand and points it at him. Snape draws his as well.

MCGONAGALL (CONT'D)

MCGONAGALL

Yes Severus...I am fighting for
what's right...even if it means
taking you down with me.

McGonagall shoots a spell towards Snape and he blocks it. Snape fires one towards her. The students go up against the wall in terror. Harry goes to help but with a wave of her hand McGonagall sends him flying backwards.

In the center of it lightning shoots out and hits all around the room. Students duck for cover, rubble falls from the stone walls. They break the connection and McGonagall falls straight to the ground. Snape points his wand towards her. All of a sudden it flies out of his hand. Before him are the teachers of Hogwarts.

FLITWICK

No...YOU'LL DO NO MORE MURDER HERE
AT HOGWARTS!

Snape looks at them all of their wands aimed at him. He reaches for his wand and grabs it. He then swishes his cloak and turns into black smoke. He flies around the hall and then goes out the large window. It shatters into pieces.

MCGONAGALL

COWARD! YOU COWARD!

All of the students look on. The teachers help McGonagall to her feet.

McGonagall turns her attention to Harry as he falls to the ground. The Hall goes dark.

MCGONAGALL (CONT'D)

VOLDEMORT (CONT'D)

No difference...

Voldemort walks around.

SNAPE

But my Lord, he might be killed accidentally by someone other than yourself---

VOLDEMORT

My instructions to the Death Eaters have been perfectly clear. Capture Potter. Kill his friends--the more, the better--but do not kill him. But it is of you that I wished to speak, Severus, not Harry Potter. You have been very valuable to me. Very valuable.

SNAPE

My Lord knows I seek only to serve him. But--let me go and find the boy, my Lord. Let me bring him to you. I know I can--

VOLDEMORT

I HAVE TOLD YOU NO!

SNAPE

I-- I have no explanation...

Snape's eyes goes towards Nagini.

VOLDEMORT

Harry grows angry. But Hermione holds him back.

Snape now looks towards Voldemort.

SNAPE

My Lord...let me go and get the boy.

VOLDEMORT

All this long night when I am on the brink of victory, I have sat here, wondering...wondering, why the Elder Wand refuses to be what it ought to be, refuses to perform as legend says it must perform for its rightful owner . . . and I think I have the answer.

Voldemort looks at him. Snape does not speak and he looks at him scared.

VOLDEMORT (CONT'D)

Perhaps you already know it? You are a clever man, after all, Severus. You have been a good and faithful servant, and I regret what must happen...The Elder Wand cannot serve me properly, Severus, because I am not its true master. The Elder Wand belongs to the wizard who killed its last owner. You killed Albus Dumbledore.

Ron laughs. Behind them are Teddy Lupin and Victoire Weasley. Kissing. Ron looks at them. He then looks at Harry and they both go over to them.

HARRY

Everyone laughs. Hermione goes and kisses him. Rose and Albus have found a carriage. Albus opens the window. The train begins to move. Albus waves. They all wave after them. The train pulls forward and goes around the corner. Harry's hand is still raised. Ginny, Ron, and Hermione go to him. Ginny takes his hand and puts her head on his shoulder.
